"One Long, Grand, Sweet Song" of Bargains! A Popular Air That's Being Sung in Every Portland Home

Tomorrow's Sixtieth Grand Friday Economy

At Portland's Leading Store, Offers the Year's Best and Biggest Aggregation of Dependable Friday Bargains

Another week of remarkable trade is passing into the store's mercantile history. The greatest days' runs in all this great trade-ship's career are now being entered upon her log book. The immense establishment is alive and fairly bristling with vivacity from stem to stern. The four spacious floors resemble a great exposition, bustling with eager enthusiastic life. It's an undoubtable fact that Portland folk easily recognize real bargains when they see them. Every department is getting ready for enlargement and readjustment. Almost every stock moves to new and larger quarters. Go where you will—turn where you may, UNMATCHABLE VALUES SUR-ROUND YOU, FOR ABSOLUTELY EVERY ARTICLE IN THE HOUSE IS REDUCED. (A few contract goods alone excepted.)

Special values are constantly shifting like the films of a kaleidoscope—something fresh and attractive every new day. THE GREAT DISLODGMENT SALES ARE AT THE FLOODTIDE OF THEIR MARVELOUS SUCCESS. We print below some specials for Friday only, bargain blades that grow on the slope of the FRIDAY ECONOMY SALE only, almost countless thousands are here for both Friday and Saturday choosing. Help wourselves and us by shoraling many properties. yourselves and us by shopping mornings, when possible.
