WARNING!

It has been reported to us from several sources that a fellow who goes by the name of "CHASE" has been calling upon the people of South Portland, representing himself as an agent of this house in the business of placing branch agencies for the celebrated "STANDARD PATTERNS." We have no agents out establishing any such agencies. The fellow is a SWINDLER, using the good name of this house to defraud. Pay him no money, but hand him over at once to the POLICE.

Honesty Trodden Under Foot

We'll put a double application to the above. The first is the windy mass of jargon emanating from another store thro' its mouthpiece who writes pretty fiction occasionally.

About Carpet Values

Let's see—he writes, "Values you can't equate anywhere around town"—now that's pure fiction—"treading honesty under foot" and we'll prove it. And then he purloins a title belonging only to this house—"PORTLAND'S LARGEST AND BEST CARPET STORE." We add "NEWEST" to this for this is Portland's newest carpet store, where only new carpets are to be found, opened in March last with absolutely new stocks. Now the proof: This "ad expert" (?) advertises a closing out of 25 patterns of "10.00" quality of Brussels Carpet, in oriental and floral designs, sewed, laid and lined for 85c. We will absolutely guarantee to duplicate these and GIVE YOU THE CHOICE OF THE ENTIRE LINE OF THE IDENTICAL SAME GRADE OF CARPETS, NO LIMIT TO STYLES, AT THE YARD 85c, and that has been the price on these Carpets every day since this great Carpet Store opened—sewed, made, lined and laid. We urge and invite the comparison of any person who is interested. Here is a point on which anyone may satisfy themselves as to what store in Portland sells Carpets cheapest and what store does not misrepresent in its advertising. We depart from our usual custom and quote verbatim a would-be competitor's advertised item. We will duplicate this advertised value at 85c a yard and do so without reducing our every-day price a cent—85c A YARD for these elsewhere "70c Ingrains." Investigation of this statement and of the Carpet Store concerns is urged. Get your eyes open. "Honesty Trodden Under Foot" indeed, in quoting inflated values. You may tread on honesty in reality another way if you'll carpet your home with floor coverings from this, PORTLAND'S NEWEST, LARGEST AND BEST CARPET HOUSE, and DEPENDABLE, TOO.
