

C. C. Gridley then spoke a few minutes with reference to the ministers who have served the church, there having been 22 ministers for this church in the last 50 years. He also directed the con-gregation's attention to the fact that there was no church property whatever in 1854, and now the church property amounts to \$10,000, which is considered a good showing.

The services then closed with several appropriated musical selections. Pro-fessor Harold rendered a solo during the evening and Miss and Mr. Todd a much-appreciated dust. After which re-freshments were served in the church marlors. parlors.

### LIVESTOCK INDUSTRY **OF WHITMAN COUNTY**

(Special Dispatch to The Journal.) Cotax, Wash., June 25.-Colfax is one of the greatest livestock shipping points in the Inland Empire, although there is no range tributary. The stock shipped from here is 'raised by the farm-ers of Whitman county and represents considerable capital and labor. The in dustry is becoming one of the important fs only a question of time until every ranch in the country will be raising cat-tle, horses and hogs on a far more ex-tensive scale than at present. During the past 18 months there have been 26,520 hogs shipped from Colfax to the markets of Portland. Seattle spokane and Butte. These 26,520 hogs is the verage price paid the farmers by the buyers during the period mentioned was \$5.75 per hundred pounds. The (Special Dispatch to The Journal.)

in their transportation. The average price paid the farmers by the buyers during the period mentioned was \$5.75 per hundred pounds. The figures therefore represent a total of about \$322,920 distributed among the farmers living near Colfax.

farmers living near Colfax. During the same length of time there have also been shipped 50 cars of cat-brought an average price of \$1,000 per car and the sheep \$650 per car. This will bring the total amount of money brought to Colfax by the sale of these three classes of stock in the neighbor-hood of \$385,920. Add to this the money received from poultry and egg shipments and the figures will linger around the \$500,000 mark.
