A Cavalcade of Irresistible Values Comes Trooping on to Open the July Campaign of Clearance! Every Article in the House (CONTRACT GOODS ALONE EXCEPTED) Stays Reduced! GRAND OPENING of the SECOND FULL MONTH of DISLODGMNT SALES and

61st Grand Friday Economy Sale Tomorrow!

SWEEPING SLAUGHTER PRICES RIGHT WHEN SUMMER MAKES HER DEBUT. THE SEASON'S BIGGEST AND BEST LIST OF FRIDAY SPECIAL BARGAINS. Ever on the alert to its patrons' interests—a store whose policy is not for today only, but for tomorrow and all the future, we can assure you in all truth that tomorrow's values have never been surpassed, if ever equaled, by this or any other Portland store. 'Tis well to bear in mind these continuous bargain volleys must soon come to an end. Soon the dust and dirt of demolishing, reconstruction and removal of departments, consequent upon adding the new Sixth street building to our present great store, will have come and gone. Storekeeping will resume a regular trend, and values bring their worth. If you'll buy this month of July you'll save a part of the price on anything you purchase as change back to your purse. If you'll buy tomorrow from this bountiful bargain board you'll save even more. See the economy chances the Friday Sales offer, and, remember, EVERYTHING IN THE HOUSE STAYS REDUCED!

4th Day of the Series of Great Mardi Gras Sales!

Final Clean Sweep Sale of Summer Millinery

A Whirlwind of Bargains for Friday Buyers in The Great Millinery Halls
ON SECOND FLOOR.

No such buying opportunity for millinery shoppers has ever been granted before by any Portland store. Not even has this great millinery house ever granted such concessions before to its patrons. But the time has come for radical measures. The buyer leaves on Sunday for New York to open the work rooms there and meet the representatives of the foreign millinery houses. The "powers that be" have warned us out for removal at early date to the new Sixth street annex. Remaining stocks must be sold now regardless of what they bring. Portland women may secure a new hat for the "Fourth" at a ridiculous price tomorrow. This is positively the last chance to secure millinery at these prices. Absolutely the last great sale of the season. When these lots are sold—no more.

Women's Handsome, New and Stylish \$15 and \$18 Suits For \$6.25

BARGAINS vs. BUNCOMBE!

We read recently a store-magazine's screed about "SUITS AT HALF PRICE." It read like an "Anna Feyer Way" dream book or a clown's life in a dog circus. It told of high-class "dreams" in low-cut suits, and actually spoke of "suits as high as \$75." Well! Well! Did you ever! "Who'd a-thunk it?" It's quite remarkable, when you think of it for a "Cheap John" store to carry suits up to \$75 in real actual value. But then, perhaps, the hot-air inflationist hadn't been pricked before he wrote that bubble, and he left the hot air in. "Fifty to one hundred suits a day!" Gee whillikins! We didn't suppose there was a store in Portland that turned their stock every day! Will wonders ever cease? And these Fourth-of-July pinwheels commence to go round tomorrow! Well, ladies, after you've seen the pinwheels revolve, come over and listen to the bargain cannons roar at the GOOD, RELIABLE, "OLD HOMESTEAD" STORE.

Here's a Volley Worth Talking About!
FOR ALL-DAY FRIDAY SELLING

It's nothing for us to sell a hundred suits a day—common as eating breakfast—and some gowns up to \$500 in value, too. We always did hear, if one wanted QUALITY, they must come to OLDS, WORTMAN & KING for it.

A Stupendous Sale of Women's \$15 and \$18 Value SUITS \$6.25

LADIES' TAILOR-MADE SUITS IN DRESS OR WALKING STYLES. Our own incomparable high-class values from New York's leading makers. These suits are far from the ordinary clasp styles heralded as "bargains" by "cheap" stores. They are not the sort made by unskilled workers, where labor struggles for a horrible existence and makes stuff for "bargain stores." These suits we offer tomorrow are selected for our own high-grade stocks, too well known to Portland's dress women to need the mouthing of self-praise from a store-writer. THE SUITS are the very flower of the \$15 and \$18 grades, collected for one final sweeping clearance tomorrow. Our buyer leaves Saturday for the New York market to select apparel for Portland women's fall wear. We include dress and walking styles. Colors are blue, black, brown and swell novelty mixtures. Cheviots, Etamines, Canvas Cloths and Heather Mixtures. Handsomely trimmed in taffeta, braid, button or stitched effects. Skirts made in gore or flare styles. On sale tomorrow all day in the great Second-Floor Suit Salons at a choice for \$6.25.
EVERY SUIT IN THE HOUSE RADICALLY REDUCED FOR IMMEDIATE CLEARANCE!
