STATE LEAGUE TO MEET AUGUST 2

DELEGATES OF VARIOUS OREGON COMMERCIAL CLUBS WILL GATHER AT MARQUAM GRAND ON THAT DATE TO FORM A GENERAL FORCE CLUB.

At a meeting of the Commercial club this morning it was decided to call the forthcoming two-days' mass meeting of the citizens of Oregon who are interested in the formation of a state development league to order in the Marquam Grand theatre on the morning of Tuesday, August 2, at 10 o'clock.

Through the courtesy of the Marquam Grand management, the use of that theatre has been tendered free to the meetings of the two days, August 2 and 3. By the courtesy of the Oregon Water Power & Railway company, four of the largest cars of that company have also been tendered to the convention...

The chief social event of the convention has been arranged for Tuesday evening, August 2, at which time the visiting ladies will act as the guide of the visitors during their stay in the city.

The newspapers of the state had acted as one organ, they could not have done better for the convention," said Mr. Richardson today.

"The newspapers of the state had acted as one organ, they could not have done better for the convention," said Mr. Richardson today.

Pretty Display of Japanese Art.

In the Japanese art display at Woodward, Clarke & Co.'s there has been recently received a very choice collection of what is known as lacquer in boxes of various designs and sizes...

To people who are unfamiliar with what is known as lacquer, a word as to its meaning may be of interest. Lacquer in the name of a juice which is taken by incision from the lacquer tree, growing luxuriantly in Japan and portions of China.

The most astonishing feature of the work lies in the fact that it can be produced and sold at such extremely low figures in this country.

The display at Woodward, Clarke & Co.'s is interesting in its extreme and really worthy of inspection by the resident and visitor.
