It was a splendid reception that Manager Dugdale received when he appeared on the field with his cohorts. The old guard was out in force and gave the visitors the glad hand on every occasion. The Browns showed up to advantage, although Castro wasn't in the game. They played with more gingerly snap than on 'previous visits, and a marked improvement in team work was noticeable.

The trouble started in the fourth inning. Drennan and Beck drove out two safe beauties and Thielman sent up a fly behind second and Mohler made a great try for it, but dropped the ball, allowing it to roll to center field. Van Haitren fielded it, but not before Beck and Drennan registered at the plate. In trying to catch Beck Van Haitren threw to the grandstand and Thielman was next up and he slammed a hot one along tha third base line and Jake pranced home. This ended Portland's scoring, but three proved to be as good as a thousand.

OREGON AGRICS HAVE **GOOD GAMES AHEAD**

(Journal Special Service.)
Corvallis, Or., July 13.—There is nuch interest taken in football at O. A. L, even though the season for play is o far away. News that has been considerably discussed the past few days is the fact that the annual game between O. A. C. and the University of Washington has been arranged and the contract signed. The place will be Seattle and the date October 15. An application has been received from Logan, Utah, for a game between the Agrics and the Agricultural college of the state. That team will play the University of Washington, and desires a game with Corvallis as they are en route for games in California and Nevada. A game has been offered the Corvallis men at Berkeley on October 15. The proposition came through O. A. C.'s new cosch, A. C. WALCOTT TO BOX SCREEGE.

Joe Walcott has been matched to fight Mike Schreck of Cincinnati before an athletic club in Saginaw, Mich. in the last week of this month. The bout will probably be at 15 rounds, the men to weigh in at 155 pounds. Schreck is highly considered in the west, and a bout with the Black Demon would be a prime attraction in that vicinity. The western puglist is in good condition and has had several hard fights recently. Walcott's poor showing against Young Peter Jackson in their recent bout has depreciated his stock and a victory over Schreck would mean a good deal to him. On the other hand Schreck would attain great prominence by defeating Walcott. The bout will undoubtedly walcott. Your Nerves

Are the life, the vitality, the energy of your body.

It is the nerves that cause the heart to pulsate, the lungs to inhale the oxygen, the brain to direct the motion of overy organ of the body, the stemach to digest food, the liver to secrete the bite, the kidneys to filter the blood and the bowels to carry off the waste.

When the nerves of the stomach become weakened or exhausted, Indigestion, Constipation and Inflammation result, because the stomach is inactive.

This is true of all the organs of the body, and proves that to cure diseases you must strengthen the nerves.

Another reason why Portland schools should be represented in the athletic league is the fact that at the Lewis and league is the fact that at the Lewis and Clark fair in this city next year athletes from far and near will compete, and should Portland be represented, she could make an organized effort to secure the best public school athletes in the country for the fair competitions.
