HAM IBERG FOOLS WILSON'S SIWASHES

TANTALIZING SLOW BALLS PLAY MAJOC WITH HEAVY BATTERERS OF THE SOUND - PORTLAND HARRIED FOR FOUR RUNS IN THE FIRST INNING.

(Special Dispatch to The Journal.)
 Seattle, July 15.—Ham Iberg made the Siwashes look like a bunch of tall grass leaguers yesterday afternoon, in one of the fastest fielding games played on the local grounds this season.

Iberg served the home boys with the tantalizing slow balls, and just when the Seattle men would wait patiently to connect with one, Ham would shoot over so fast that the batters would be away behind time in swinging.

After the first inning the game was an American beauty to watch. In the first half of the initial-inning Portland earned four runs. McCredie, Beck, Raymond and Castro crossing the plate on five clean hits. Seattle got busy in her half, and with the aid of Beck's error and three hits a trio of Siwashes passed the rubber. After this both Williams and Iberg did splendid work, although the former was touched up for 11 hits, sharp nidding saved further scoring, while the visitors' backing up of Iberg was marvelous. In the eighth inning Williams' men started in to tie the score. Van Haltraen hit a dangerous one over second, but Raymond made a great run and plunger for it and gathered up the ball close to the ground. A second later Mohler hit a terrific one that looked good for at least a triple, but Drennon speared it after a long run. Deleahanty spanked the first ball pitched to the back fence, where Nadeau pinched it in clever style. In the next inning Nadeau slipped and fell while going after one of Frisk's hard pokes and while on his knees reached out and took the ball.

For eight innings both teams played championship ball, the visitors, however, being dangerous at every stage of the game. The fans thoroughly appreciated the work of the Browns and applauded them time and again. Raymond, Castro, Iberg and Nadeau came in for the glad hand. As it was Shields' turn to oppose Reach yesterday, these worthies will perform this afternoon. Score:

BIG STAKES ARE FILLED FOR FAIR

STATE FAIR MANAGERS DECLARE THAT ALL THE BIG EVENTS WILL BE WELL FILLED—SEVERAL NEW PURSES TO BE ANNOUNCED LATER—THE STAKES.

(Journal Special Service.)
 Salem, July 15.—Interest in the racing program for the coming state fair grows daily and it is expected that all the stakes will be well filled.

As an evidence of this fact the status of the following big racing stakes of the fair program will show:

Inland Empire stake, \$500, for 3-year-old pacers, 11 entries—Filled.
 Rural Spirit stake, for 2:11 pacers, \$1,000, 12 entries—Filled.
 Lewis and Clark stake, 2:17 trot, \$2,000, 12 entries—Filled.
 Greater Salem stake, 2:15 pace, \$2,000, 31 entries—Filled.
 Capital City stake, 2:11 trot, \$1,000, four entries—Not filled.
 Commercial Club stake, 2:24 trot, \$2,000, five entries, closed July 11, is not yet filled, but, as it is a guaranteed stake, it is quite probable that it will, as an entry arrived yesterday which had been made on the date of closing. This same race in California had 19 entries. This is one of the stakes in which the California horses were barred. One of the rules of this race was that only horses which were owned in the north Pacific circuit on January 1, 1924, were eligible to enter, and this rule, it is said, had the effect of barring Sonoma Girl, formerly owned by J. D. Springer of Pleasanton, Cal., later purchased, it is rumored, by a man of this state, after the limit date of the rule of entry. Sonoma Girl, however, is entered in the Lewis and Clark 2:17 trot under Springer's name.

Webfoot stake, 3-year-old trot, \$500, three entries.—In the case of this race, in the first place only district colts were eligible and only three entries were secured. Failing to fill under this rule, it was opened to California horses, and then the district colts would not enter on that account.

Downing and Secretary Moores, of the State Fair board, were in Portland during the early part of this week, where they made arrangements for one, and perhaps two, more big harness stakes, the nature of them will not be announced for a few days yet, until all matters in connection are settled.

Besides the big harness events, each day's racing program will contain at least two running races and the purses for these will be hung about the middle of August, and by that time the entire racing program will have been completed and given out to the public. There is no question at all of the big harness events, trotting as well as pacing, will be filled and pulled off, but in the case of the trotting stakes, it is quite likely that they will have to be reopened and new rules established. The board has also received a request from a lady, asking that a lady's race be provided for during the fair program, but the board still has the matter under consideration and is in no hurry to decide what they will do.

Great Pitchers' Battle.
 Tacoma, Wash., July 15.—In a battle the most brilliant of the season between Newton and Keefe yesterday, the most brilliant of the season, Tacoma won out in the ninth on two errors by Newton. Keefe and the "Doc" were in splendid form, the latter holding the Tigers down to a vagrant hit, while Keefe was touched for four. Score: Los Angeles.....0 0 0 0 0 0 0 0-0
 Tacoma.....0 0 0 0 0 0 0 1-1
 Umpires—O'Connell and Eggar.

Seals Won Out.
 San Francisco, July 15.—The Seals found Schmidt in the seventh for two, and in the ninth got the winning tally. The score: Oakland.....0 0 3 0 0 1 0 0-4
 San Francisco.....1 1 1 0 0 0 0 1-4

BOILER TEAM MAY GO TO HELENA.
 (Journal Special Service.)
 Helena, Mont., July 15.—A special from Boise, Idaho, says the Pacific National league team in that city is to be transferred to Helena upon completion of their present series with Butte. Since the disastrous invasion of California last year, Helena has had no ball, expenses in that fight having sapped the financial strength of the club's voluntary supporters. Poor attendance is assigned as the reason for the proposed transfer.

INGOMAR COLLIDES WITH THE NAVAHOE

(Journal Special Service.)
 Dover, England, July 15.—Charlie Barr, the famous skipper, in an attempt to out Mr. Watkins' Navahoe today in the Cinque ports' yacht race, ran into Commodore Plant's Ingomar into the Navahoe and badly damaged both schooners. The Ingomar's fore rigging and bowsprit were carried away in the collision, and her hull suffered considerable damage. The Navahoe's mainmast was torn off and she was pretty well used up.

The collision occurred off admiralty pier and was witnessed by a large throng. Regret was expressed for Barr, because yesterday he handled the Ingomar cleverly, and won the Royal Yacht club's race for boats exceeding 50 tons. The Ingomar and Navahoe are both American-built craft.

DIAMOND GLISTENINGS

Bill Hurley would not make a desirable acquisition to the Portland team. Last year Hurley jumped Parke Wilson at the time when Wilson was playing in the hardest kind of luck, and to reward him now by giving him a good berth on the Browns would be unfair to the coast league players who were loyal throughout the difficulty.

Hurley would add no strength to the Browns. He bats about .250, which is not high enough for an infielder. Besides his light hitting, he is no marvel in fielding nor running bases.

Iberg showed the Satellites how to pitch winning ball yesterday. The reports state that Ham had Frisk, Mohler and Deleahanty reaching across the plate and swinging wildly through the air in their efforts to connect with the ball. Blankenship, Hall, Smith and Williams couldn't land safely at all.

The Tacoma Tigers' usual good luck attended them in yesterday's game with the Angels. Newton held them down to one lonely hit, yet Fieber's men won out in the ninth. Newton has won 13 and lost 8 this season, while Keefe has won 17 and lost 9.

At present no improvement can be made upon Beck's playing on first base. Beck is Portland's best hitter and is playing acceptable ball.

Bill Campbell has been signed to play with the Browns. Campbell is doing good work at third, runs bases well and is hitting the ball some.

Sad memories of last year are recalled today in a dispatch from Helena stating that on account of slim attendance at Boise, the team representing the capital city of Idaho may be removed to Helena. The Helena people are ticklish over baseball, because last season they got their anatomy stuffed full of it. The California invasion in the war of 1923 touches a sore spot in the vicinity of Helena's pocketbooks. Will Helena sports stand the gaff?

Many thanks are due for the double and triple runs now in vogue at Seattle. There would be a few more thanks in store if President Bert and Uncle Henry Harris would regulate the schedule so that Portland would open the second season at home.

Every eastern team in the national league lost yesterday on the western trip. The mighty Giants got bumped hard by the Reds.

Many of the local fans, of both sexes, are anxiously awaiting the new schedule so that they may arrange their summer schedule at the beach. If President Bert were as agreeable as the San Francisco Bar association, he would furnish the dates at once, so that our fans could take a trip around the circuit for pleasure only, paying no heed whatever to schedule framing at Tacoma.

It is understood that the new schedule is well seasoned with Fisher. Why not let Mike stay at home for the en-

NEIL AND ATTEL IN SIX-ROUND GO

(Journal Special Service.)
 Chicago, July 15.—Frankie Neil, the hantamweight champion, will defend his title against Abe Attel of St. Louis in a six-round tilt at the Waverly Athletic club tonight. Neil is naturally a favorite in what betting is being done on the result, but there are many who are willing to back their opinion that Attel is shifty enough to elude the terrific left hand blows of the champion and remain in the ring until the limit of the bout is reached.

FITZGERALD VS. GARDNER.
 (Journal Special Service.)
 Butte, Mont., July 15.—The local sporting fraternity is looking forward to an interesting bout tonight when Willie Fitzgerald and Jimmy Gardner come together before a local club for a 20-round battle. Both men have been training faithfully since the match was made and appear to be in the very best of condition for the mill. They weigh in at 8 o'clock this afternoon at 137 pounds, a figure that suits both men nicely.

MANY ENTRIES FOR NATIONAL REGATTA

(Journal Special Service.)
 New York, July 15.—Entries for the coming annual regatta of the National Association of Amateur Oarsmen closed today with Secretary Fred R. Fortmeyer of this city. The regatta is to be held the latter part of this month on Creve Coeur lake, near St. Louis. It will be the first time in the history of the association that the regatta has been held in the west and the entry list shows that the event this year will be more representative of the entire country than any of the previous ones. The rowing clubs of Boston, New York, Philadelphia, Worcester and other eastern cities will be represented and in addition there will be contestants from numerous cities of the middle west.
