

"THE STORE THAT SAVES YOU MONEY"

COMPULSORY SALE!

In less than three weeks the contractor will be here at work making extensive improvements throughout our store. Remodeling the front, giving us a larger and better entrance; enlarging the store all over and giving us more room to do business. This work compels us to make a grand sacrifice of our entire stock of Housefurnishing Goods. (We furnish homes from cellar to garret, complete.) Commencing tomorrow at 8 a. m. and continuing for the next 17 shopping days you'll find Bargains never before offered in this city, in this line. A big saving of 20 to 30 per cent. on every dollar you spend here during this improvement sale. This announcement coming from us means high-class, stylish, up-to-date Furniture, Carpets, etc., at very little cost. You know us. You know our motto—"We do as we advertise." The stock must be removed to make room for the improvements necessary to our building to keep abreast with the times. This great annihilation of values begins tomorrow morning. Seekers of bargains in high-class goods should be present and avail themselves of such articles as they may need, or expect in the near future to have use for. Values and prices are unequalled here.

Strong Reason for This Compulsory Sale

Tearing up and remodeling the store makes dirt, and lots of it. Dirt and dust injures furniture. Our reputation for high grade goods turned out in excellent condition is not surpassed, and we prefer to sell now while our goods are in a first class condition at a big discount and give that perfect satisfaction than to later sell damaged goods at a discount and not give satisfaction. It's our way of doing business. Selling good first class goods and always giving perfect satisfaction. You can have all the credit you want, too, during this Compulsory Sale, just as you can any other time.
