Portland's Quality Shop
Where the Walls Are Coming Down

Now For Such a FRIDAY "Economy Sale" As You Never Saw Before! --- The 64th of the Series:

'Tis no wonder these great saving events stir Portland to its very center. Such prices on such reasonable, worthy, quality merchandise as goes to make up these Midsummer Sales, were never before heard of in our city. Of course QUALITY and CLASS play the important roles in the Great Bargain Carnival. It is impossible to scan any one of our advertisements without learning of scores and hundreds of exceptional economies. We've no time for idle talk or cataloguing goods as mere space fillers. Antiquated stores do that—'tis not the modern method. What you want to know—and what you read advertisements for—is the bargain news. That's why our printed announcements are always of interest, always profitable. That's why this store stays so busy. You rely absolutely upon what we tell you. We never misrepresent or get you down town on a "wild goose chase"—we want your permanent patronage and will merit it so thoroughly that you'll decide after trading here a few times that you'll make this store your permanent buying home. In addition to the aggregation of special values for Friday only we beg you to remember that EVERY ADVERTISED BARGAIN OF THE WEEK IS ON TOMORROW and over all, mightier than all, is the fact that ABSOLUTELY EVERY ARTICLE IN THE HOUSE (contract goods alone excepted) IS RADICALLY REDUCED! DON'T MISS AN ITEM OF THIS FRIDAY BARGAIN NEWS or you may regret it when you see the bargains your wiser neighbor got at OLDS, WORMAN & KING'S 64th FRIDAY ECONOMY SALE TOMORROW! Following specials are for all-day selling:

\$2.00 WHITE PETTICOATS 87c

SECOND FLOOR—ANNEX.

A store full of hot air at the top, and junk and sweatshop trash of ancient origin bulging out at the bottom, is liable to generate spontaneous combustion, especially if engendered by a band of excitable. Such stores sometimes "go off in the air," thro' the papers, emitting a vaporous effusion that disseminates among the clouds to the harm of no one. It's a good thing for such stores to have an escape valve, else they might "blow up and bust," and hurt somebody. Such a store exists, and their "escape valve" lots of his sultry wind regularly against the good, thick, substantial walls of this **REMARKABLE "Old Kometed" Store.** The hot vapor strikes our walls and is blocked, rises into thin air and passes off. Hurts no one, and relieves the heavy, overstocked "Hot Air Establishment." Fashion the digestion, but it leads up to this **GREAT PETTICOAT SALE IN PORTLAND FOR FRIDAY.** Our elevators have brought up to the Second Floor daily, thro' the Summer Clearance Sales, from 2,500 to 3,000 people. We're petticoats for all who come tomorrow.
