Rumored That Russian and Japanese Cruisers Will Meet Ship Loaded With Flour and Battle for the Cargo.

Lying in Portland harbor is the ori-ental liner Aragonia, which, it is be-lieved may be the cause of a big naval battle on the Facific. The vessel is loading with fleur for Japanese ports and will shortly start on the voyago. Flour has been declared contraband of war by the Russians. The Aragonia, which flies the German fag, is chartered by the Portland-Asi-atic Steamship company and her safe arrival has been guaranteed by the 0. R. & N. company. The progress of the vessel will be watched with intenas in-

of war by the Russians. The Aragona, it is N. company. The progress of the being loaded with that cargo and bound for Japanese ports, will, in the opinion of prominent men along the waterfront, be intercepted by Russian warships. Should the two battleahips of the op-

A liquor license was granted yester-day afternoon to J. B. Moore to conduct a saloon at this corner of Fourth and Couch streets. No meeting of the liquor license committee was held, but three of the members signed the application. They were Councilmen A. K. Bentley, L. Zimmerman and Dr. Sanford Whiting. For several weeks past Moore has been seeking a license to conduct a sa-loon at this location. This is the place where Bob Patterson formerly conducted a notorious resort before his license was revoked. Since then he has made many attempts to get another license, but without success. When the application of Moore came up it was thought by the members of the committee to be a ruse while prominently mentioned as the fill the place, by many of the more in-fill the place, by many of the more in-fuential eastern leaders it is now un-derstood that he has explained his at-of Moore came up it was thought by the it thuse in the matter plainly, and as a result of his wishes his name will not to come before the national committee. Portland, July 23.—To the Editor of The Journal.—What Portland badly needs is a free employment office, the same as any other town of any importance has on the Pacific coast—even the town of Seattle has one. The present condi-tion of getting employment is the cause of so many idle men in the town of Portland.. Men come in thes town of them will get broke and have no way to get out of town but walk, and there woods of men who are good workmen and who have no the necessary office fee that a man has to pay to the em-ployment agents. They get stranded and some of them, when they get hun-gry are too proud to beg, steal, and work acusht are kept in prison at the sry are too proud to beg, steal, and when caught are kept in prison at the spense of the state. These men, if they only had a dollar or two for the raffers or could get work without pay-ing for it, would save the state a lot of money for their maintenance in prison.

ficient number of the loggers will sign

The Scattle loggers are anxious for The Seattle loggers are anxious for the Columbia river loggers to succeed in forming the proposed organisation. F. M. Duggan, manager of the Paget Sound Logging and Brokerage company, who was here at the first convention, has been on the ground ever since Thursday, night, and he was joined last night by another prominent logging man from the sound, Mr. Easterbrook, a pole and pile buyer of San Francisco, also will be in attendance at the meetalso will be in attendance at the meet-ing this afternoon. The Puget Sound Logging and Brokerage company con-trols 90 per cent of the output of logs on the sound, and Mr. Duggan personally looks after the scaling. This combine sets the price on the logs sold to the sawmills, and sees that the small logger

Articles providing for the organizaloggers' association have altion of a loggers' association inney, to ready been drawn up by an attorney, to is properly provided for, purchasing his output, if necessary. In the event that the new wage scale ANOTHER ADDED is adopted, the loggers will be permitted to keep their present expert help at the prices already prevailing, but all new men will have to be employed under the wage schedule. new

THAT . TRIBUTAL - POWER OF DISTRICT ATTORNEY THE ISSUE. stenographer, under instruction of At-torneys Murphy and Logan, and filed in the circuit court. It must be signed by Judge Cleland before going to the ligher tribunal. higher tribunal. The main ground of appeal is the al-leged insufficiency of the information filed by District Attorney Manning's deputy. It is alleged that the law au-thorising a district attorney to act as a grand jury and issue indictments is unconstitutional, and that the failure of the official to sign the information constitutes a fatal defect. Other objections urged to the circuit court proceedings are the refusal of

court proceedings are the refusal of Judge Cleland to insert certain clauses relative to malice in his instructions to

the jury and the insertion of other clauses which failed to find favor with defendant's attorneys. It is also urged in the bill that an error was committed and Chief of Police Hunt's stenographer, to testify in regard to the written confession signed of the American ships and they will

Guglielmo in the police court.

be submitted at the meeting of Colum-bia river loggers to convene in the of-fice of Downing, Hopkins & Co., on the ground floor of the Chamber of Confinerce this afternoon. The articles to be submitted provide for a new wage scale and a common scaler for the pro-ducts of all logging camps. The plan to be adopted is substantially the same as that under which the Puget Sound Logging and Brokernge company is now Logging and Brokerage company is now operating. The details of the organiza-tion are completed ready for the signa-tures of the loggers, and the only thing in the way of the formation of the combine is the possibility that a majority of the logging output will not become parties to the articles of agreement,
