

# ANOTHER MIDSUMMER, MIDWEEK, MONSTER HOURLY SALE

## AS THE CLOCK TICKS

## TOMORROW!

### Re-Adjustment of Stocks and Store Expansions Start Soon!

THIS STORE IS ONE VAST BARGAIN MINE, FILLED TO THE EDGE WITH PEEPERLESS VALUES OF THE FIRST WATER. FOUR MORE DAYS OF THE GREAT DISLODGMET CLEARANCE SALES—Every Article in the House Remains Reduced for Drastic Clearance (contract goods alone excepted).

Tho' things may look a trifle disarranged, and ladders stand about here and there, bearing workmen who are preparing for the alterations incident to the store expansion, we feel that you'll not mind being slightly discommoded for a short time when you think of the betterment in service that's just ahead with the opening of the LARGER OLDS, WORTMAN & KING STORE. It's not unlucky to walk under those ladders, there are thousands of rich nuggets to be picked up here every day now, and prospectors are plenty. Just keep in touch with our daily announcements; visit the store as often as possible and keep your bargain eye open. Every stock has been ransacked for extra special values and will be all the week. And, mind you, every article in the house is radically reduced (except contract goods). Hundreds of thousands of dollars' worth of goods are at your mercy at a fraction of their worth.

Below we append an unmatched list of

**Women's \$1.75 House Wrappers 79c**  
ANOTHER SURPASSING SECOND FLOOR SALE.  
There is no more useful or indispensable article of apparel for the housewife than the wrapper. And there's no article of dress that can be so slighted and skimmed in the making—none that are so often the product of the sweat shop as these garments. The East Side of New York City is honey-combed with the tenement house wrapper shops—squalid, miserable, disease and germ-ridden pestilence holes. You may see some such product offered tomorrow in competition with these splendid factory made wrappers of ours by the "cuckoo store" that imitates our every move (except the early closing move). Such a store as patronizes sweat shops for its garments principally will surely go there for its wrappers. Beware of the germs. These wrappers of ours are every one made by a first-class leading American factory, under the most perfect sanitary conditions, cut full in size, not skimmed, well and thoroughly made, strongly sewed, of percale or lawn materials in dark, medium and light attractive colors, including navy, red, gray and black and white, mixed, neat, pretty patterns. Some with the narrow collars, others with deep cape collars, belt at waist and pretty embroidery trimmings. The best values ever offered in Portland at \$1.75, \$1.50 and \$1.25. All at one price and for one hour's selling tomorrow, 3 to 4 p. m. at a choice for...79c
