SPECIAL MUSIC.

### At the Second Baptist

Prelude, ......Clark Evening:

Song. "O, Dry Those Tears". Del Riego Mr. R. R. Adams and violin obligato by Miss Barker

ard him rather as an in

regard him rather as an imaginary hero than as a fissh and blood American and one not entirely free from the faults and foldies of the average scout. Boys may learn much from the life of "Huffalo Bill," and it is well to hear it from himself and there is not an American boy who will not thrill to read his adventures and regret that the days have passed when he might go and do likewise. This is a type of life and man never found except in America and even here pass-ing so rapidly that boys can be per-mitted to read it without danger of creating a desire to be up and away. "To the west! To the west!" The book is well illustrated and neatly bound in cloth. Harper brothers, New York. Price, 60 cents.

New York. Price, 60 cents.

"Olive Latham"-By Mrs. E. L. Voy-vitch. Notwithstanding the curlosity as to all that concerns the administration of internal affairs by the Russian gov-ernment, particularly in its relation to the lower classes, general surprise has been expressed at the facts disclosed in this novel, which is the story of the ex-perience of a woman who, through her love for a Poltsh "nihilist." is involved in the meshes of the Russian police net. While fiction in form, the story obviously reflects all that Mrs. Voyvitch, through those with whom her life has come in fouch, knows to be true, and no one has

uch, knows to be true, and no one has estioned the accuracy of her descripquestioned the accuracy of her descrip-tions. of the persecutions and cruelty practiced by the Russian officials. The story strikes a very timely note, and is a vivid picture of "inside" life of the esar's domain and is full of dramatic situation in which an English girl and a Pole play conspicuous patts. This is the third novel Mrs. Voyvitch has written. The first was "The Gadfly." and the second "Jack Raymond," both of which still enjoy a large sale, and the latter is in quite as much demand as it was a year ago. Both, however, deal with different subjects from Olive Latham. J. B. Lippincott company. Price, \$1.50.

beautifully illustrated in colors. The story promises quite as much as her iast great child's story, only that this time it is a little girl who is the central-character, instead of a boy, and like it will prove as interesting to adults as to the juvenile reader. McClure's has certainly laid the ques-tion as to whether high class and low price can form a successful combina-tion in the magazine world, for the en-tife August number is a volume of high literary character and artistic presentment.

"The Youth of Washington"-Dr. Weir Mitchell. It is announced that, following serial publication in The Century this latest work of Dr. Mitchell, which is told in the form of an auto-biography, will be published in two editions in the fall, one limited to 600

The August chapter of this uniqu serial tells of circumstances leading to Washington's retirement from the col-

"Misrepresentative Men"-One of the most ingenious of noms de guerre is that of Col. D. Streamer, whose book of verse called "Misrepresentative Men, o be published by Fox, Duffield & Col. D. Streamer, author of Ruth-

onial service, and later of his appoint ment on General Braddock's personal

Co. Col. D. Streamer, author of Ruth-less Rhymes for Heartless Homes," "The Baby Baedeker," etc., is in reality Capt. Harry Graham, alde-de-camp to the governor-general of Canada, Lord Minto. He is a member of the Cold Stream guard-hence his pen name-Col. D. Stream-er. Captain Graham dio-tates his book-which, by the way, shows him to be an Englishman who not only understands, but practices Amer-ican humor-to one of the most popular American actreases-Miss Ethel Barry-more.

These are harrowing scenes. The merican actreases—Miss Ethel Barry-ore. "The Two W's"—"Already." says the in Francisco Argonaut. "Louisville, y. is chiefly known to the great care-ss world as the home of the two set the state of the two set the state of the stwo set the stwo set the state of the stwo

Tukon. "The Magnetic North" must have more to condemn it, if the critic be sustained, than what he has so far said of it. Frederick A. Stokes, New York. Price, \$1.50. In regard to the five men who spent the whiter at Big Chimney camp, the critic says: "By their chatter and half irresponsible actions they ought to be on a camping excursion in the Ken-tucky mountains. " " " One

"The Adventures of Buffalo Bill"-By Col. W. F. Cody (Buffalo Bill). One life may hold so much, may be so long in the public eye, that though it were young in years we are inclined to attribute to it many more cycles than it is entitled to. This is the case with Colonel Cody, or "Buffalo Bill," as he has been known does not of course demand brutality in a Klondike story, but it is surprising to read of a sort of eight-months-long

to read of a sort of eight-months-long tea party with a very youthful boy of 21 filling the unexpected role of in-genue and pet of an old Kentucky Colo-nel. Still further to soften the rigors of a Yukon winter an ingenious Swiss-Family-Robinson cabin is built, a Cath-ollo mission is planted 40 miles away, and a series of pleasant visits back and forth are undertaken. On one pretext or another a good many plantation melodies and negro breakdowns are in-troduced which seem out of place and contribute to one sense of unreality." Now just such scenes are what do take place. Alaska is not the great silent north, filled with an awe-silenced popu-lation who have left home and friends and society in another world, but its
