GRAND ALTERATION AND EXPANSION SALE

A Great Aggregation of Splendid Bargains for the Early Birds Who Attend the Popular

HALF-DAY SALES

TOMORROW MORNING!

Such price reductions as we mention below are surely enough to loosen the tightest purse strings. The offerings are unequalled in the history of western merchandising. Not a price but is much less than regular quotations. Everything is reduced. In many instances cost of materials is not covered. But then our object now is to dispose of summer goods, no matter at what loss. We must have the room for fall goods, which are now on the way from eastern markets. Don't miss one item that we quote today. Don't miss one of these important Half Day Sales. Every woman in Portland should read this advertisement carefully. Every line is an example of strictest economy.
