THE STORE THAT CLOSSES EVERY SATURDAY DURING AUGUST AT 1 P. M.

PORTLAND'S EXAMPLE OF MODERN MERCHANDISING—HER LEADING, BEST STORE. Encomiums have been showered upon us from friends at home and abroad for the stand we've taken for betterment in storekeeping, in leading off among local stores in the early Saturday closing movement. Our appreciation is most thorough. Humanitarianism and commercialism go hand in hand here. We are glad to herald the success of this move of ours. Not even in a financial way have we had cause to regret it, for never, in all the store's history, has such selling been recorded against any August Saturday as the past two. Our employes are benefited, our patrons delighted and grand results have accrued to us for which we are extremely grateful. We realize that extraordinary inducements must needs be offered to offset the day (?) of other stores—a day that runs far into the night. We must needs crowd a full day and evening into five busy hours of selling on Saturday here—and we do—read every item below and you'll understand why such prices placed on merchandise of the RELIABLE sort, combined with the spirit of fairness to patron and employe alike, make this PORTLAND'S GREATEST, LEADING STORE!

Don't Be Late to This Bargain Breakfast—Bear in Mind the Store Closes Saturday at 1 P. M.
