JEFFRIES GREATEST FIGHTER OF AGE

(Continued from Page Ten.)

As Jim Corbett, Jake Kilrain, Joe Choynski, Peter Maher, Frank Elvira, Peter Jackson, Joe Goldard, Gus Lubin, Tom Sharkey, Bob Fitzsimmons and "Kid" McCoy, and with due respect to the men who have faded from view, as well as for those who are fading, we declare emphatically that Jeffries in his present form is the best all-round ringster we have ever known.

Don't Give to Mingle. Still harping on Madden's ill-advised remark, it is worthy of note that such heavyweights as are looking for engagements to face "Panache" are being asked to clear to start with that they have no desire to mingle with one James J. Jeffries in a professional way.

Then there is Marvin Hart. Now, it may be that he is one of the men Madden thinks will do with a "little" development, but Marvin himself has doubts on the subject. This is shown by a letter received by the writer from Jack McCormack, who is directing Hart's fighting operations just at present.

McCoy himself is between two stools. He has accepted an offer of a match with Twin Sullivan at Los Angeles and will fight on the 12th at the Hotel Grand. Jack O'Brien for a contest in San Francisco in the early fall. It is worthy of remark that McCoy is being challenged from every quarter just at present, the inference being that the majority of heavyweights and light-heavyweights consider him an easy mark.

Have Respect for Murphy. The sporting men of the far west have quite a respect for Tommy Murphy just now. They did not think there was a youngster in the lists at present capable of making a close thing of it with Frankie Neil, and the referee's announcement that Neil would have been knocked out in a go to a minute with Murphy has about shattered an idol.

Joe Gans in San Francisco to attend to that little business with Jimmy Gardner next month. Gans looks lighter than when he last and declares that he can make 125 ringside without trouble now. "Gusie" is drying up," said Joe when his attenuated appearance was commented upon.

Gans says that he is 21 years of age and that the fight with Gardner will be the last appearance in the ring. He will train at San Rafael for the contest, which will take place before the San Francisco Athletic club on the evening of September 30.

(Special Dispatch to The Journal.) New York, Sept. 3.—Bob Fitzsimmons is eager to fight Jack Monroe, the latest recruit in the ranks of "has been" pugilists. The fight between Fitzsimmons and Monroe ended just as expected it would. Why, a man like Marvin Hart could put Monroe away before the limit and Jack O'Brien would be able to cut him to pieces in six rounds. Monroe is, as I have stated since he met Jeffries at Butte, little better than an amateur. Monroe and manager know at the time the match with Jeffries was made that the minor would be whipped quickly. Right now I believe I could polish off Monroe without any difficulty.

KNEYSE CHAMPION TEN PIN BOWLER

(Continued from Page Ten.)

The 208 club opened the fall bowling season with one of their individual tournaments Friday night on the Portland alley and Paul Kneyse fairly earned the title of champion 10-pin bowler in three games.

Champion Paul Kneyse of This City bowler of Portland as he won first prize with a total score of 534 pins in three games.

F. J. Kelly won second prize with 525 and H. G. Taylor was third with 521.

This was one of the most interesting tournaments ever held by the club and the bowlers are showing up in fine form for the fall season.

The next important event is a two-man team tournament which is being arranged, after which the regular winter league schedule of games will begin.

Portland Pans Will Miss Louis Castro. Manager Dugdale of the Portland Browns has released Louis Castro, who was signed after considerable difficulty by former manager Ely to play shortstop on the Portland team. From the standpoint of his work it appears that Dugdale has made a serious blunder in letting go such a valuable man, and one, especially of whom the fans of this city are justly proud.

Both teams fared effectively. Pitchers Jones and Iberg were at their best. A chance that Schiafey and Ganley failed to block in the seventh gave the Browns two runs and the game.

FASTEST AUTO RUN ACROSS CONTINENT

News of the day.

FASTEST AUTO RUN ACROSS CONTINENT. News of the day. New York, Sept. 3.—At 10 o'clock this afternoon L. L. Whitman, completing a thirty-four days' run from San Francisco, stepped from his automobile in front of the clubhouse at Fifty-eighth street and Fifth avenue and handed to President Searratt of the Automobile Club of America, a letter sent by President Scherwin of the Automobile Club of California. Mr. Whitman's trip was made twenty-seven days ahead of the previous automobile record from San Francisco. The letter which he delivered was the quickest parcel ever sent across the continent by any conveyance except by railroad. Mr. Whitman drove a Franklin Air-Cooled motor, and at this time this type of machine was regarded as impracticable for such hard traveling as obtains in the desert in Nevada and Utah. The machine came through all right. The tires lasted until the machine reached Chicago—two-thirds of the entire distance. The chain broke twice in the desert, but was easily repaired.
