Clairvoyant Spirit Medium Palmist

No Charge Unless Satisfactory You can be the judge

$10 COMPLETE LIFE READINGS FOR $1

For 7 Days Only

He Will Tell You Your Full Name, Age, Occupation, and Whom and When You Will Marry.

ARE YOU IN TROUBLE OF ANY KIND, discontented, unhappy, or not satisfied in life, or have you any domestic or past troubles that annoy you? But no matter what your troubles may be you will be told of them and receive the proper advice.

HOW TO OVERCOME ALL TROUBLES.

Your past, your present life and your entire future, and everything can be told by consulting SIR FRANCIS DRAKE, the world-eminent clairvoyant and spirit medium, who is the greatest master of occult science and psychic force the world has ever known.

His predictions are always correct and never fail to come true, as thousands of people will testify.

Does everything seem to go wrong, and has fortune never smiled on you? Has your life been full of "ups and downs?" Do not despair, as you can yet learn the true road to success and happiness, for both await you if you will only know how, when and where to find them, which will be revealed to you. You will also be told how to have your wants and wishes satisfied. How to obtain your object in life or your heart's desire.

How to live happy and contented the rest of your life and be fortunate. How to obtain the money you want, and what you are best adapted for. Tells what you have done, what you are doing now and what you are going to do. All told without asking a single question.

IS THERE NOT FAIR AND HONEST? ADVICE ON BUSINESS, SPECULATION, LOVE, COURTSHIP, MARRIAGE AND DIVORCE.

Settles lovers' quarrels, reunites the separated, causes a speedy and happy marriage with the one of your choice. The earth reveals to him the hidden treasures buried in her bosom. He locates mines, interprets dreams, tells of your friends and enemies, removes evil influences, gives advice pertaining to lawsuits, everything. The troubled and unfortunate should seek his counsel. Thousands of families, long separated, have been united by his efforts; thousands of hearts made glad through his truthful predictions. Whatever may be your troubles, anxieties, hopes, fears and wishes, call on this gifted gentleman immediately. His parlors are visited by business men of good repute, anxious for reliable information as to the outcome of future or past investments, and by ladies in all grades of life. SATISFACTION GIVEN OR NO FEE ACCEPTED.

The tide of skepticism is surely turning by the wonderful power displayed by this strange man.

Ordained to do what he does by some strange, unseen power, whose potent influence is felt by every creature on the face of the earth, whose power is seen in the forces of nature, this wonderful and gifted man demonstrates his power in your presence, while you look, listen and wonder. The deeds of the prophets and the wise men of old are outdone by this strange and mysterious seer of modern times. From whence comes this wonderful power? Professional men and women are sweatricken, the public in general is dumfounded, speechless. Had he been born in times of superstition his work would be classed as little less than miracles. Sir Francis Drake is acknowledged by press and public to be ordained to do what he does.

He baffles skeptics, humbles doubters, and silences the sham and jeers of all classes and nationalities. He is known from ocean to ocean, the marvel of two hemispheres. The pretender or partially developed medium flies before him, knowing full well that there is small room for pretension where the true light of genuine power shines triumphant. They flash and vanish like the fleeting meteors across the beam of the steady, scintillating star.

CONCERNING BUSINESS AFFAIRS.

He gives names, dates, facts and figures, reliable and important advice and information on all matters of interest in business transactions, lawsuits, contested wills, life insurance, damage suits, divorces, deeds, mortgage claims, collections and speculation, adventures, gold mining stocks and all financial difficulties. Truly predicts the success or failure of new inventions, patents, pending pension claims, etc.; tells whether you will receive fair dealings with partners. If you care to know what business you will follow to be successful, where you shall go and whom to avoid, if you intend to make any changes or start a business, buy or sell property, or, in fact, take any important step, don't fail to consult Sir Francis Drake. His advice may be the means of saving you thousands of dollars and a great deal of trouble.

Remember, your prospects of today may be your fortune tomorrow if rightly handled.

Occult Wonder. Always Consult the Best. Positively no equal on earth in his profession. Cut this out to avoid mistake in name and number. Permanently located. Hours from 10 a. m. to 8 p. m., Sundays included.

SIR FRANCIS DRAKE

KNOW THY FUTURE!

CLAIRVOYANT

$10 Complete Life Readings $1

THIS WEEK ONLY

BUDAH BERNIQUE

Born With a Double Veil—Educated in Occult Science in Egypt and India.

Her parlors are crowded daily by the best people of Portland anxious to know their future. Budah Bernique's demonstrations of second sight must be seen to be believed. So be sure and consult her at once.

TWENTY YEARS A PRACTICING CLAIRVOYANT.

Known from ocean to ocean as the marvel of two hemispheres.

KNOW THY FUTURE.

WHY CONSULT AN INFERIOR MEDIUM WHEN MADAM BERNIQUE, THE ACKNOWLEDGED LEADER OF THEM ALL, IS HERE, AND HER FEE NO HIGHER THAN THOSE LESS COMPETENT?

FREE! FREE! FREE! IF NOT CORRECT.

No positive am I of my powers to tell the past, present and future and exactly what you want to know, that I will make

NO CHARGE! NO CHARGE!

unless you obtain perfect satisfaction and find me superior to all MEDIUMS, CLAIRVOYANTS and PALMISTS in this city.

Ella Wheeler Wilcox, the poetess, says: "Budah Bernique saved me serious mistakes. She is a marvel among men and women."

"Budah Bernique is the best and cleverest clairvoyant in the city."—Chicago Record-Herald of April 21.

William J. Bryan says: "Budah Bernique is the greatest scientist in her line. She has thoroughly convinced me."

TELLS YOU WHEN AND WHOM YOU WILL MARRY.

The Veiled Prophetess

"I Tell Your Name"

This OCCULT WONDER is placed in a class by herself, towering head and shoulders over every rival, and is recognized by the PROFESSION as their BRIGHTEST STAR.

London's most famous palmist and clairvoyant is acknowledged by press and public the greatest living DEAD TRANCE MEDIUM.

She tells what you came for before you utter a word; does not ask questions, no matter what your trouble may be.

Call, and she will guide you with certainty higher than human power. Tells you the truth, good or bad.

The following list shows purely and simply that Budah Bernique has been consulted by the most popular and most noted men and women of the world, and her reading of their lives was pronounced most wonderful:

Julia Marlowe	President Harrison
Sarah Bernhardt	President Cleveland
Ella Wheeler Wilcox	Archbishop Ireland
Helen Gould	Senator Depew
Hon. C. H. Harrison	Senator Hanna
President McKinley	Senator Foraker
President Roosevelt	Senator Spooner

No man or woman has ever been consulted in more notable affairs than she. In Europe and America she has advised thousands in various walks of life, and always to their advantage.

It may be of vital interest to you to know the outcome of your present distress.

The happiness of your future life may depend upon the right solution and proper advice.

There are no mistakes in the predictions made by the great and wonderful dead trance medium.

You may wish to know if it is advisable to make a change in business, in love, in marriage.

"Shall I succeed in my new undertaking?"
"Can I obtain my hopes, my wishes, my ambitions?"
"Shall I ever enjoy the luxuries of wealth?"
"Can I trust my friends?"
"When shall I marry?"
"How often shall I marry?"
"Shall I ever be divorced?"
"Does another share the love that rightfully belongs to me?"
"If so, whom?"
"Am I loved in return?"
"Is there a rival in my love?"
"When shall my love affair terminate in marriage?"
"When shall my domestic troubles end?"
"How can I make my life and home happy?"
"When shall my absent friend return?"
"Why do I not receive a letter?"
"Is my disease curable?"
"Shall I win my lawsuit?"

MANY PRIZES AT ONTARIO EXHIBIT

NUMEROUS AWARDS FOR PRODUCTS GROWN ON IRRIGATED LAND IN MALHEUR COUNTY DURING THE ANNUAL GATHERING OF OREGON IRRIGATION ASSOCIATION.

When the Oregon Irrigation association last year selected Ontario as the place of its annual meeting, which will take place September 19, 20 and 21, it was not anticipated that Ontario would meantime become a center of irrigation in this state. Since then the Malheur irrigation project has been taken up by the government, and when the delegates go out to the meeting at Ontario they will find themselves in the center of a $2,500,000 irrigation movement that is to reclaim about 100,000 acres of land as good as any to be found in Oregon. The meeting will be the third annual convention of the state association.

In addition to delegates appointed by all the commercial bodies in the state, Governor Chamberlain has appointed representatives from every county and an elaborate program of discussions has been prepared. Added interest will be given by a great exhibit of the products of irrigated fields and orchards, and a demonstration of the results of scientific irrigation. There will be addresses by Senator Mitchell, Senator Fulton, Governor Chamberlain, President A. H. Devers and others. Distinguished citizens from other states, including the governor of Idaho, will be present. There will be many delegates from eastern Oregon. The railways have made a special rate of one and one-third fare for the round trip.

The annual election of officers will be held at this meeting, and Portland will probably be selected as the place of the next annual meeting, as most of the delegates will wish to visit this city on account of the exposition.

The Ontario people have shown an intense interest in this year's convention, and to insure a large and creditable exhibit they have offered the following prizes for Malheur county products shown:

Best display of apples, not less than six of any variety, cash prize $20.

Finest collection of grain, cash $10.

Best display of Bartlett pears, not less than 12 in number, cash $20.

Best display alfalfa and other forage plants, cash $10.

Finest display of pears, not less than six of any variety, one leather suit case.

Best display prunes of Hungarian plums, cash $20.

Best display peaches, box Havana cigars.

Best display grapes—First prize, dining-room picture; second prize, Woodbury hat.

Best display extracted honey—First prize, one buggy lap robe; second prize, one rawhide buggy whip.

Best display honey in comb—First prize, one hammock; second prize, one sack Upper Crust flour.

Best display alfalfa with stalk and root, one silk shirt.

Best display wheat on straw, one box McCormick mower sections.

Alfalfa hay in bundle—First prize, two McCormick knives; second prize, one beaver hat.

Best display of rye, box Havana cigars.

Finest display barley, 25 pounds McCormick twine.

Best display oats, whalebone buggy whip.

Best display of corn—First prize, one bill book; second prize, one year subscription.

Largest watermelon, one nickel-plated coffee pot.

Best display nutmegs or cantaloupes, one year subscription.

Largest pumpkin, one gent's Gordon hat.

Largest squash, nickel-plated teapot.

Best display of potatoes, not less than six of any variety—One fountain pen; second prize, one pair Buckingham & Hecht shoes.

Best display of onions, one pair Walk-over shoes.

Largest turnip, Diamond Edge butcher knife.

Best display of tomatoes, cash prize $20.

Best display of cabbage, five pounds Chase & Sanborn's coffee.

Largest head of cabbage, one box cigars.

Sugar beets, cash prize $20.

Six largest potatoes, one large framed wall picture.

Best display of roses—First prize, one Roman copper teapot; second prize, Palo Alto perfume case.

Best two pounds of butter, one four-pound butter crock.

Best collection of assorted flowers—First prize, fancy water set; second prize, pair lace curtains.

Best alfalfa seed, one pair rubber boots.

TO HAVE A GOOD TIME.

AFTER A HARD SUMMER'S WORK, THE FAMOUS

MISS VIRGINIA WARDEL

Will skip away from Portland for two or three weeks to enjoy herself down where the laughing waters play with the pebbles on the beach.

Miss Virginia Wardel, queen of the palmists, clairvoyants and crystal gazers of the coast, will take her departure for the coast within a few days for the purpose of having a good time, and will absolutely cease from all professional duties until her return. This bright, happy, joyous young lady has had a busy half year in this city, and will consider herself entitled to a season of entire absence from business thought, so she will go away for a short play spell, glad of the opportunity to leave all cares behind. Many will regret even her temporary absence, and others will doubtless take advantage of the short time before her departure to consult her on all matters of interest to them. There is probably none that can equal this gifted, cultured woman in reading the future of human life, a truth attested by her long stay in Portland and the prominence of her clientele. Business men and women, as well as those in private walks of life, have been Miss Wardel's constant patrons, and with one voice each one proclaims her most wonderful, indeed.

IF YOU WOULD KNOW YOUR FUTURE SEE HER TODAY.

She can tell you all you wish to know. There are no secrets hidden from her. She pictures to you all that will befall you. She can read the history of your life.

THE COSMOS BUILDING.

Over Ben Selling's Clothing Store, Fourth and Morrison Streets.

CIVILLY DEAD BUT GUGLIELMO IS SUED

While the Oregon codes provide that a man shall be deemed civilly dead when sentenced to the penitentiary for life, it is a singular fact that they are silent on the proposition in the case of a man sentenced to be executed on the gallows. After a careful inspection of the codes, attention was drawn to this fact by Attorney Dan R. Murphy, chief counsel in the defense of Frank Guglielmo, sentenced to hang for the murder of Freda Garacio.

It is contended by Attorney Murphy that Guglielmo cannot under the codes be debarred from defending the civil suits brought against him for damages in the amount of $5,000 by Gaetano Garacio, father of the murdered girl. He also maintains that as the title to property at Vancouver, Wash., was vested in Guglielmo before he was sentenced for the crime, he cannot be deprived from receiving it if the estate is settled before his execution, provided the supreme court upholds the verdict of the circuit court.

More Idiots.

Disturbances of strikers are not nearly as grave as an individual disorder of the system. Overwork, loss of sleep, nervous tension will be followed by utter collapse, unless a reliable remedy is immediately employed. There's nothing so efficient to cure disorders of the liver or kidneys as Electric Bitters. It's a wonderful tonic, and effective nervine and the greatest all around medicine for run down systems. It dispels nervousnesses, rheumatism and neuralgia and expels malaria germs. Only 50c and satisfaction guaranteed by Red Cross Pharmacy, corner Sixth and Oak, on the way to the postoffice.

CITY NOTICES.

PROPOSED IMPROVEMENT OF EAST STARK STREET.

Notice is hereby given that at the meeting of the Council of the City of Portland, Oregon, held on the 7th day of September, 1904, the following resolution was adopted:

Resolved, That the Council of the City of Portland, Oregon, deems it expedient and proposes to improve East Stark street from the center line of East Seventh street to the center line of East Ninth street in the following manner, to-wit:

First—By removing all loose earth, mud and debris from the surface of the street full width with full intersections.

Second—By redressing the street full width with full intersections with washed river gravel.

Third—By constructing artificial stone sidewalks in accordance with the City Engineer's plans, specifications and estimates.

Fourth—By constructing wooden crosswalks.

Fifth—By constructing curbs.

Sixth—By constructing box gutters.

Seventh—By constructing wooden sidewalks in accordance with the City Engineer's plans, specifications and estimates.

Said improvement to be made in accordance with the charter and ordinances of the City of Portland and the plans, specifications and estimates of the City Engineer, filed in the office of the Auditor of the City of Portland on the 6th day of September, 1904, indorsed: "City Engineer's plans and specifications for the improvement of East Stark street from the center line of East Seventh street to the center line of East Ninth street and the estimates of the work to be done and the probable total cost thereof."

The cost of said improvement to be assessed as provided by the city charter upon the property specially benefited thereby, and which is hereby declared to be all the lots, parts of lots and parcels of land lying between a line 100 feet north of and parallel with the north line of Simpson street and a line 100 feet south of and parallel with the south line of Simpson street, and the west line of Michigan avenue and the west line of Borthwick street.

The Engineer's estimate of the probable total cost for the improvement of said Simpson street is $285.00.

The plans, specifications and estimates of the City Engineer for the improvement of said Simpson street are hereby adopted.

Resolved, That the Auditor of the City of Portland be and he is hereby directed to give notice of the proposed improvement of said street as provided by the city charter.

Remonstrances against the above improvement may be filed in writing with the undersigned within 20 days from the date of the first publication of this notice.

By order of the Council.

THOS. C. DEVLIN,
Auditor of the City of Portland.
Portland, Oregon, September 10, 1904.

CITY NOTICES.

PROPOSED IMPROVEMENT OF ALBINA AVENUE.

Notice is hereby given that at the meeting of the Council of the City of Portland, Oregon, held on the 7th day of September, 1904, the following resolution was adopted:

Resolved, That the Council of the City of Portland, Oregon, deems it expedient and proposes to improve Albina avenue from the north line of Killingsworth avenue to the north line of West Piedmont, in the following manner, to-wit:

First—By grading the street full width with full intersections to the grade as given by the City Engineer.

Second—By constructing gravel sidewalks with wooden curbs in accordance with the City Engineer's plans, specifications and estimates.

Third—By constructing crosswalks.

Said improvement to be made in accordance with the charter and ordinances of the City of Portland and the plans, specifications and estimates of the City Engineer, filed in the office of the Auditor of the City of Portland on the 6th day of September, 1904, indorsed: "City Engineer's plans and specifications for the improvement of Albina avenue from the north line of Killingsworth avenue to the north line of West Piedmont, and the estimates of the work to be done and the probable total cost thereof."

The cost of said improvement to be assessed as provided by the city charter upon the property specially benefited thereby, and which is hereby declared to be all the lots, parts of lots and parcels of land lying between a line 100 feet west of and parallel with the west line of Albina avenue and a line 100 feet east of and parallel with the east line of Albina avenue and between the north line of Killingsworth avenue and the north line of West Piedmont.

The Engineer's estimate of the probable total cost for the improvement of said Albina avenue is $1,560.00.

The plans, specifications and estimates of the City Engineer for the improvement of said Albina avenue are hereby adopted.

Resolved, That the Auditor of the City of Portland be and he is hereby directed to give notice of the proposed improvement of said street as provided by the city charter.

Remonstrances against the above improvement may be filed in writing with the undersigned within 20 days from the date of the first publication of this notice.

By order of the Council.

THOS. C. DEVLIN,
Auditor of the City of Portland.
Portland, Oregon, September 10, 1904.

PROPOSED IMPROVEMENT OF BORTHWICK STREET.

Notice is hereby given that at the meeting of the Council of the City of Portland, Oregon, held on the 7th day of September, 1904, the following resolution was adopted:

Resolved, That the Council of the City of Portland deems it expedient and proposes to improve Borthwick street from the north line of Killingsworth avenue to the north line of West Piedmont, in the following manner, to-wit:

First—By grading the street full width with full intersections to the grade as given by the City Engineer.

Second—By constructing gravel sidewalks with wooden curbs in accordance with the City Engineer's plans, specifications and estimates.

Third—By constructing crosswalks.

Said improvement to be made in accordance with the charter and ordinances of the City of Portland and the plans, specifications and estimates of the City Engineer, filed in the office of the Auditor of the City of Portland on the 6th day of September, 1904, indorsed: "City Engineer's plans and specifications for the improvement of Borthwick street from the north line of Killingsworth avenue to the north line of West Piedmont, and the estimates of the work to be done and the probable total cost thereof."

The cost of said improvement to be assessed as provided by the city charter upon the property specially benefited thereby, and which is hereby declared to be all the lots, parts of lots and parcels of land lying between a line 100 feet west of and parallel with the west line of Borthwick street and a line 100 feet east of and parallel with the east line of Borthwick street and between the north line of Killingsworth avenue and the north line of West Piedmont.

The Engineer's estimate of the probable total cost for the improvement of said Borthwick street is $1,602.00.

The plans, specifications and estimates of the City Engineer for the improvement of said Borthwick street are hereby adopted.

Resolved, That the Auditor of the City of Portland be and he is hereby directed to give notice of the proposed improvement of said street as provided by the city charter.

Remonstrances against the above improvement may be filed in writing with the undersigned within 20 days from the date of the first publication of this notice.

By order of the Council.

THOS. C. DEVLIN,
Auditor of the City of Portland.
Portland, Oregon, September 10, 1904.

PROPOSALS FOR COLLECTION AND DISPOSAL OF GARBAGE.

Proposals will be received at the office of the Auditor of the City of Portland until 2 o'clock p. m., on Monday, September 19, 1904, for the collection and disposal of garbage.

Every proposition must be for the collection and disposal of all garbage, dead animals and refuse matter of all kinds, for a period of not less than ten nor more than twenty years. Every proposition must be submitted in the form of a franchise ordinance of which at least twelve copies must be furnished when requested by the city.

Every proposition must state the rates to be charged for collection, removal and disposal of garbage.

Every proposition must set forth in detail the method of collection, removal and disposal and the kind of vehicles and apparatus to be used.

Every proposition must contain a provision by which a bond for not less than twenty thousand dollars will be given to the City of Portland to insure the faithful carrying out of the provisions of the franchise if granted.

All communications to be addressed to Thomas C. Devlin, Auditor of the City of Portland, Oregon.

SANFORD WHITING,
MAY FOELLER,
H. R. ALBEE,
Committee of the Council on Health and Police.
Portland, Oregon, September 7, 1904.

CITY NOTICES.

PROPOSED IMPROVEMENT OF MISSISSIPPI AVENUE.

Notice is hereby given that at the meeting of the Council of the City of Portland, Oregon, held on the 7th day of September, 1904, the following resolution was adopted:

Resolved, That the Council of the City of Portland, Oregon, deems it expedient and proposes to improve Mississippi avenue from the north line of Killingsworth avenue to the north line of West Piedmont, in the following manner, to-wit:

First—By grading the street full width with full intersections to the grade as given by the City Engineer.

Second—By constructing gravel sidewalks with wooden curbs in accordance with the City Engineer's plans, specifications and estimates.

Third—By constructing crosswalks.

Said improvement to be made in accordance with the charter and ordinances of the City of Portland and the plans, specifications and estimates of the City Engineer, filed in the office of the Auditor of the City of Portland on the 8th day of September, 1904, indorsed: "City Engineer's plans and specifications for the improvement of Mississippi avenue from the north line of Killingsworth avenue to the north line of West Piedmont, and the estimates of the work to be done and the probable total cost thereof."

The cost of said improvement to be assessed as provided by the city charter upon the property specially benefited thereby, and which is hereby declared to be all the lots, parts of lots and parcels of land lying between a line 100 feet west of and parallel with the west line of Mississippi avenue and a line 100 feet east of and parallel with the east line of Mississippi avenue and between the north line of Killingsworth avenue and the north line of West Piedmont.

The Engineer's estimate of the probable total cost for the improvement of said Mississippi avenue is $1,232.50.

The plans, specifications and estimates of the City Engineer for the improvement of said Mississippi avenue are hereby adopted.

Resolved, That the Auditor of the City of Portland be and he is hereby directed to give notice of the proposed improvement of said street as provided by the city charter.

Remonstrances against the above improvement may be filed in writing with the undersigned within 20 days from the date of the first publication of this notice.

By order of the Council.

THOS. C. DEVLIN,
Auditor of the City of Portland.
Portland, Oregon, September 10, 1904.

PROPOSED IMPROVEMENT OF EAST NINTH STREET.

Notice is hereby given that at the meeting of the Council of the City of Portland, Oregon, held on the 7th day of September, 1904, the following resolution was adopted:

Resolved, That the Council of the City of Portland, Oregon, deems it expedient and proposes to improve East Ninth street from the south line of Wygant street to the north line of Going street, in the following manner, to-wit:

First—By grading the street full width with full intersections.

Second—By bringing the surface of the street full width with full intersections to the proper grade with upland bank gravel.

Third—By constructing wooden sidewalks.

Said improvement to be made in accordance with the charter and ordinances of the City of Portland and the plans, specifications and estimates of the City Engineer, filed in the office of the Auditor of the City of Portland on the 20th day of August, 1904, indorsed: "City Engineer's plans and specifications for the improvement of East Ninth street from the south line of Wygant street to the north line of Going street and the estimates of the work to be done and the probable total cost thereof."

The cost of said improvement to be assessed as provided by the city charter upon the property specially benefited thereby, and which is hereby declared to be all the lots, parts of lots and parcels of land lying between a line 100 feet east of and parallel with the east line of East Ninth street and a line 100 feet west of and parallel with the west line of East Ninth street and between the south line of Wygant street and the north line of Going street.

The Engineer's estimate of the probable total cost for the improvement of said East Ninth street is $1,150.00.

The above improvement is to be classed as a gravel improvement and shall be maintained by the city for a period of four years, provided that the owners of a majority of the property benefited by said improvement or any portion thereof shall not petition for a new or different improvement before the expiration of such period.

The plans, specifications and estimates of the City Engineer for the improvement of said East Ninth street are hereby adopted.

Resolved, That the Auditor of the City of Portland be and he is hereby directed to give notice of the proposed improvement of said street as provided by the city charter.

Remonstrances against the above improvement may be filed in writing with the undersigned within 20 days from the date of the first publication of this notice.

By order of the Council.

THOS. C. DEVLIN,
Auditor of the City of Portland.
Portland, Oregon, September 10, 1904.

PROPOSED IMPROVEMENT OF JESSUP STREET.

Notice is hereby given that at the meeting of the Council of the City of Portland, Oregon, held on the 7th day of September, 1904, the following resolution was adopted:

Resolved, That the Council of the City of Portland, Oregon, deems it expedient and proposes to improve Jessup street from the east line of Michigan avenue to the east line of Borthwick street by grading the street to the grade as given by the City Engineer.

Said improvement to be made in accordance with the charter and ordinances of the City of Portland and the plans, specifications and estimates of the City Engineer, filed in the office of the Auditor of the City of Portland on the 6th day of September, 1904, indorsed: "City Engineer's plans and specifications for the improvement of Jessup street from the east line of Michigan avenue to the east line of Borthwick street, and the estimates of the work to be done and the probable total cost thereof."

The cost of said improvement to be assessed as provided by the city charter upon the property specially benefited thereby, and which is hereby declared to be all the lots, parts of lots and parcels of land lying between a line 100 feet north of and parallel with the north line of Jessup street and a line 100 feet south of and parallel with the south line of Jessup street and between the east line of Michigan avenue and the west line of Borthwick street.

The Engineer's estimate of the probable total cost for the improvement of said Jessup street is $1280.00.

The plans, specifications and estimates of the City Engineer for the improvement of said Jessup street are hereby adopted.

Resolved, That the Auditor of the City of Portland be and he is hereby directed to give notice of the proposed improvement of said street as provided by the city charter.

Remonstrances against the above improvement may be filed in writing with the undersigned within 20 days from the date of the first publication of this notice.

By order of the Council.

THOS. C. DEVLIN,
Auditor of the City of Portland.
Portland, Oregon, September 10, 1904.
