During the six minutes required by a jury yesterday afternoon to take one ballot in which the vote to convict Charles W. Walton of murderously assaulting Police Officer Ols Nelson, the impending of another jury to try the prisoner...

PUPILS CROWD CITY'S FREE NIGHT SCHOOL

The three night schools were opened last night with a large attendance. Never before has there been such a large number of pupils on the opening night.

At the Williams Avenue school there were 125 pupils in attendance. A somewhat larger number appeared at the Central school.

At the Central school, in all probability the numbers will be increased in these two schools so that an additional instructor will have to be selected for each.

NOT TO BE REGULAR

Shippers believe steamer Toledo will only run temporarily. Aside from making a trip or two it is now generally believed among the shippers that the steamer Toledo will not be placed on the run between Portland and Tillamook.

It appears that those who are operating the Astoria steamer have yearly contracts with nearly all the shippers in the town down the coast.
