News That's Most Interesting

This is an announcement that will be received with delight by our patrons and many who were not heretofore patrons of this store—the Big Store with the Little Prices. Not satisfied with having excellent goods at the most reasonable prices, we are determined that our customers will have more inducements to buy here than ever.

To this end, beginning Friday morning, November 11, we will give away trading stamps with every purchase. We have decided on B. & H. TRADING STAMPS as offering the GREATEST INDUCEMENTS. We give free Friday to everyone visiting at this store—buying not necessary—a book containing 80 stamps, to start you. Keep this book, and every time you make a purchase we will give you more stamps. Paste these in the book and when it is filled, or you have 500 stamps, bring it to us and we will present you with \$2 in cash, or give you the privilege of selecting goods out of the store to the value of \$2.50, or you can select premiums as named below in this ad.

Never before was there such an inducement offered, it is really like finding money, as our prices are already admitted the lowest in this city, and no cheaper anywhere on earth. Is there any better way to secure beautiful and ornamental things positively without any cost to yourself? Start to save stamps Friday.
