PROPOSED IMPROVEMENT OF BEECH STREET.

Notice is hereby given that at the meeting of the Council of the City of Portland, Oregon, held on the 2d day of November, 1904, the following resolution was adopted:

Resolved, That the Council of the City of Portland, Oregon, deems it expedient and proposes to improve Beech street from the west line of Mississippi avenue to the east line of Minnesota avenue, in the following manner, to-wit:

First—By grading the street full width with full intersections to the grade as shown by the stakes set by the City Engineer.

Second—By constructing wooden sidewalks.

Third—By constructing wooden crosswalks.

Fourth—By constructing wooden crosswalks.

Said improvement to be made in accordance with the charter and ordinances of the City of Portland and the plans, specifications and estimates of the City Engineer filed in the office of the Auditor of the City of Portland on the 1st day of November, 1904, indorsed: "City Engineer's plans and specifications for the improvement of Beech street from the west line of Mississippi avenue to the east line of Minnesota avenue, and the estimates of the work to be done and the probable total cost thereof."

The cost of said improvement to be assessed as provided by the city charter upon the property specially and peculiarly benefited thereby and which is hereby declared to be all the lots, parts thereof and parcels of land lying between a line 100 feet north of and parallel with the south line of Beech street and between the west line of Mississippi avenue and the east line of Minnesota avenue.

The Engineer's estimate of the probable total cost for the improvement of said Beech street is $860.00.

The plans, specifications and estimates of the City Engineer for the improvement of said Beech street are hereby adopted.

Resolved, That the Auditor of the City of Portland be and he is hereby directed to give notice of the proposed improvement of said street as provided by the city charter.

Remonstrance against the above improvement may be filed in writing with the undersigned within 20 days from the date of the first publication of this notice.

By order of the Council.

THOS. C. DEVLIN,
Auditor of the City of Portland.
Portland Oregon, November 5, 1904.

PROPOSED IMPROVEMENT OF EAST SECOND STREET.

Notice is hereby given that at the meeting of the Council of the City of Portland, Oregon, held on the 2d day of November, 1904, the following resolution was adopted:

Resolved, That the Council of the City of Portland, Oregon, deems it expedient and proposes to improve East Second Street from the north line of Holladay avenue to the south line of Weidler street, in the following manner, to-wit:

First—By grading the street full width with full intersections to the proper subgrade as given by the City Engineer.

Second—By constructing artificial stone sidewalks in accordance with the City Engineer's plans, specifications and estimates.

Third—By constructing crosswalks.

Fourth—By constructing stone gutters.

Fifth—By constructing wooden sidewalks in accordance with the City Engineer's plans, specifications and estimates.

Sixth—By bringing the surface of the street full width with full intersections to proper grade with gravel, in accordance with the City Engineer's plans, specifications and estimates.

Said improvement to be made in accordance with the charter and ordinances of the City of Portland and the plans, specifications and estimates of the City Engineer filed in the office of the Auditor of the City of Portland on the 31st day of October, 1904, indorsed: "City Engineer's plans and specifications for the improvement of East Second street from the north line of Holladay avenue to the south line of Weidler street, and the estimates of the work to be done and the probable total cost thereof."

The cost of said improvement to be assessed as provided by the city charter upon the property specially and peculiarly benefited thereby and which is hereby declared to be all the lots, parts thereof and parcels of land lying between a line 100 feet east of and parallel with the east line of East Second street and a line 100 feet west of and parallel with the west line of East Second street and between the north line of Holladay avenue and the south line of Weidler street.

The Engineer's estimate of the probable total cost for the improvement of said East Second street is $2,550.00.

The above improvement is to be classed as a gravel improvement and shall be maintained by the City for a period of four years, provided that the owners of a majority of the property benefited by said improvement or any portion thereof shall not petition for a new or different improvement before the expiration of such period.

The plans, specifications and estimates of the City Engineer for the improvement of said East Second street are hereby adopted.

Resolved, That the Auditor of the City of Portland be and he is hereby directed to give notice of the proposed improvement of said street as provided by the city charter.

Remonstrance against the above improvement may be filed in writing with the undersigned within 20 days from the date of the first publication of this notice.

By order of the Council.

THOS. C. DEVLIN,
Auditor of the City of Portland.
Portland Oregon, November 5, 1904.
