"The Different Store"

PORTLAND'S LARGEST, FOREMOST STORE

DEPOT OF DEPENDABLE MERCHANDISE

The Rendezvous of Reliability

From the very foundations, up through the massive steel pillars and girders, to the tip-top-most pinnacle of this great store, RELIABILITY stands out strongly defined. The store lives on it; you breathe it in at every inhalation; 'tis stamped on every article of merchandise within its confines. Reliability and quality first—and the price adjusts itself to fair methods—the lowest in all the west commensurate with RELIABILITY and QUALITY.

Portland's Quality Shop

Successful Stores Must Expand THEY GROW, YEAR BY YEAR

THE GREAT ANNEX-EXPANSION SALES GO ON INCREASING IN INTEREST DAILY

We continue the remarkable values of the week strong in the belief that the store is creditably filling the void it has been built for. This week we celebrated the opening of the new Sixth street Annex—an event that is the gate between the garden of blossoming endeavor and the field of ripened achievement. The hand of the public was on the latch—and it has thrown the gate wide open and accepted the great store in its new entirety as its own. The public has found it right in purpose, right in principle, right in conduct. In many things it is different from most stores, in these things it is better. Its way is to find first what people want, then make it easy and comfortable for them to choose, then make the price easy to pay. To provide good merchandise, QUALITY goods, of correct style at prices less than folk expect to pay—or would pay elsewhere. ISN'T THIS THE STORE YOU NEED?

The Greater Olds, Wortman & King Store, Fifth, Sixth and Washington Streets

FRICTION—THE BIG ELEVATORS

There's bound to be friction, sometimes, even in well regulated households. There was a little yesterday at the "house-warmings" incident to the opening of the New Annex Stores. The big elevators "bucked". It will take a day or two perhaps to get them regulated to a nicety so they will run along in the pleasant way this store's helpers are used to, but they'll finally get the ways of this great store family and learn to run without "friction". Meanwhile we'll ask our friends to be a little patient and overlook the bad behavior of these two huge public servants we've engaged to serve our patrons.

Suit and Wrap Stores!

Now the largest apparel shops for women west of Marshall Field's great Chicago house. INDIVIDUALITY A PREDOMINATING CHARACTERISTIC OF THE SMART GARMENTS IN THESE SECTIONS. For correct styles we unquestionably lead all western stores. Beautiful, exclusive creations, replicas from the great style exploitations at the Chicago and New York horse shows. This is an age of individuality. Everything, whether it be person or article, that savors of the commonplace must necessarily take its true position with the overlooked, as it were. In matters pertaining to dress individuality is most paramount. People of dressy tastes want something DIFFERENT—out of the ordinary. It is the variety, exclusiveness and originality of the style ideas that interest the woman of fashion today. This has been our aim from the foundation of this great apparel business, and the reason why we enjoy the reputation of being the leading style store—the MARSHALL FIELD OF THE WEST.
