To Suit the Most Critical and Satisfy the Most Practical, is Unendingly Our Aim

Our remarkable prices, so far less than the ordinary, attract the shrewdest buyers at all times. We stimulate trade daily by offering values as provokingly tempting in price as they are excellent in quality and style. The true worth of a store lies wholly in its real service to its public, and from this we ask you to judge us at all times—by the faith we keep with you, by the safe economies we offer, which have good illustration in the Saturday store news below. Every price is fixed upon true value basis. MAIL ORDERS always promptly filled. Bear everlastingly in mind the fact that THIS IS THE "DAYLIGHT"
