REGULAR VARSITI (Special Dispatch to The Journal.) Willamette University, Salem, Or., Dec. 7.—Neither Coach Chauncey Bishop nor Prot. Höyer will play with the Wil-lamette team in Saturday's game against Multnomah. All along it has been the intention of the management to strengthen the line-up by playing these two famous football men against the club team, which would be allowable aince the Multnomahs are a club and not a 'varsity team, but strong opposi-tion to the change has developed on the part of the Willamette football men, and last evening, when the question was put to a vote it was decided almost unanimcusily to meet Multnomah with the regular 'varsity line-up. All the men of the team are in fair shape except Quarterback Beach, who is out of the game with a lame ankle, and Left Halfback Nace, who has a bad arm, but both of these men can prob-ably play by Saturday. The Willamette team will not come to Portland alone. An excursion has been arranged for and already over 100 potters have signed up for the trip. Probably the number will be much larger by Saturday. The railroad has made an excursion rate of one fare for the round trip.
