Oregon flour is to follow the lead of  
Oregon wheat to the markets of Minne-  
apolis, Duluth, Chicago, St. Louis and  
other points east. The Northern Pacific  
railway has made a cut of practically 7  
cents a hundred, making the rate 51¢  
cents for the haul from eastern Oregon  
and Washington to Chicago, Peoria and  
St. Louis. Flour dealers of the north-  
west requested the reduction, as there  
was a shortage in the territory east of  
the Rockies, and a heavy oriental de-  
mand was diverting the product in the  
opposite direction.

A reception was tendered by members  
of the local union to Martin F. Higgins,  
president of the International Printing  
Pressmen's union, last night. M. H.  
Hinckley, president of the local union,  
welcomed "Our Guest." President Higgins  
responded. Other speakers were  
Fred M. Youngs, George M. Orion, W.  
C. Harris, H. A. King, H. G. Kunkel,  
H. M. Mayer, A. Kiser and W. S. Mc-  
Hugh.

Saturday evening, December 17, the  
University of Oregon Glee and Mandolin  
clubs will give a concert in the high  
school auditorium. The club this year  
is admittedly the best in the history  
of the university, and their appearance  
in Portland promises to be an event  
of more than passing interest, for  
among the membership are many for  
former Portland students. Tickets are  
now selling at Woodard & Clark's.

Martin Washington chapter No. 14,  
Order Eastern Star, has elected the fol-  
lowing officers: Worthy matron, Mrs.  
Adah H. Ball; worthy patron, A. O.  
Sinks, associate matron, Miss Margaret  
Howson; secretary, Mrs. Sarah E.  
Guerin; treasurer, Mrs. Maude V. Sinks;  
conductress, Mrs. Minnie M. McGregor;  
associate conductress, Mrs. Kulla C.  
Dunning. Installation will take place in  
February.

Prohibitionists won in Jackson county,  
where the vote of early December was  
contested in the courts. When a contest  
of the vote was decided upon by the  
liquor dealers, E. H. J. McAllister, the  
league attorney for the state, appeared  
against them and convinced the court  
that there was no irregularity in the  
vote, and the judge took his view of the  
matter.

Don't forget the great poultry show,  
Third and Taylor street, next week. It  
will be one of the best exhibitions the  
Oregon Poultry association ever held.  
Entries were never before so numerous  
in all departments—in both poultry and  
pets—and the location is so fine that  
there ought to be a great attendance.

As soon as the Morrison-street bridge  
is open for traffic the Portland Standard-  
Bald Railway company will place lights  
at West Avenue, Prentiss and Hunter  
stations, on the Mount Tabor line, on  
condition that the residents will take  
care of the lights and prevent their de-  
struction.

The Oregon Water Power & Railway  
Company needs a double track from the  
Milwaukee road south of Holgate-street  
crossing for the safe and speedy opera-  
tion of its cars. Petitions and remon-  
strances are being circulated by resi-  
dents of the neighborhood.

The Oregon military code has been re-  
vised by an advisory board, and the new  
bill will be presented to the legislature  
for adoption. The changes are small,  
relating chiefly to the duties of officers,  
and were made at the request of the war  
department.

The riggers' and ship-liners' union last  
night elected the following officers:  
Alex Keenan, president; Charles Dewart,  
vice-president; Henry Arndt, secretary;  
Charles Delaney, treasurer; William  
Bryden, guard; James Murphy, marshal.

Annie Rosencrantz sues J. Rosen-  
crants for divorce and says that on  
December 1 he violently abused her;  
when their son, Eugene, aged 16 years,  
attempted to protect her, he gave the  
boy a fearful beating.

Milwaukee will be dry no longer. The  
two councilmen tonight granted a Port-  
land man a saloon license. O. J. Roberts  
alone voting against it. Three addi-  
tional arc lights will be put in shortly.

A telegram was received by Dr. J. W.  
Brougher yesterday stating that his  
mother had both her arms broken and  
had sustained internal injuries by a fall  
in Oakland, Cal.

the war has consented to divorce on  
the understanding of remarriage should  
they return. Their marriage law in  
Russia refuses to recognize a widow as  
such unless the death certificate of her  
husband is signed by the eye witnessess  
of his death. The rabbis refuse to accept  
the military returns where merely  
the fact of death in battle or hospital  
is stated. As in the great battles many  
hundreds are killed whose bodies are  
not recovered, their widows, if they are  
Jews, cannot remarry. Their authorities now  
sanction the temporary divorce.

**LAWSON BEATS 'EM.**

(Continued from Page One.)

point of the day at 62, a slump of nearly  
\$2 from the previous day.

Athlone railway followed close in  
the footsteps of the great copper com-  
bine and showed about the same heavy  
reduction on after selling. It closed at  
81½, a loss from the closing of the  
previous day of \$1.62%.

Sugar Refining had a good upturn  
early. It opened at 140, a rise of \$1  
from the previous day's closing. It  
went up 5% point higher before it re-  
ceived a setback from the bearish at-  
tacks and closed at 138½, a decline of  
57 cents.

Smelter Takes a Fall.

American Smelter, another of the  
stocks attacked by Lawson, failed to  
come up to the scratch at the opening  
this morning, the first sale being at  
78½, 5% point lower than the closing of  
yesterday. It fell back gradually all  
through the session and closed at 77½,  
showing a loss of \$1.75%.

A severe slump of \$6 was shown in  
Anaconda mining stock. It opened and  
closed with but one sale at 96. Rock  
Island common opened a quarter lower  
than the previous day and closed at  
very easily \$1 higher to 33. This was  
its high mark of the day, and before the  
decline was stopped the market touched  
31½, a loss of \$1 from yesterday, and  
showed a loss at the close of \$5.50.

St. Paul opened at 187¾, 5% points  
up from the former close. It touched  
80 as the top, but reacted with the rest  
of the field and closed at 185¾, a loss  
of 57 cents.

Union Pacific common closed \$1 lower  
at 167 after touching 169 during the  
session. The common closed strong and  
unchanged at 164, while the pre-  
ferred was 21.25% higher at 101½.

Pacific Mail was another stock which  
held its own today and at the close  
it was 50 cents higher at 41½. Louis-  
ville & Nashville seemed to bear a  
charmed life today and was not molested  
by the general bear feeling. It closed  
87½ cents higher at 137½. New York  
Central closed unchanged at 125½. Peo-  
ple's Gas during the session showed a  
rise of 25 cents.

**Lawson's Message.**

The cable comes from London that  
Lawson's ad has appeared in the news-  
papers of that city and created consider-  
able furor in the stock market there.

The London market fell during the  
day from 4 to 1 per cent.

Toward the close of the session today  
Lawson sent out the following message  
to speculators:

"I will bid 55 for puts on 30,000  
shares of Amalgamated Copper stock  
good this week."

This created much excitement, as it  
is taken to mean that Lawson proposes  
to hammer the market down to or be-  
low that figure before the end of the  
week.

combination.

## HERE ON XMAS TIME AS ALWAYS

**AN ERA OF QUALITY**—Each year the demand for better  
grades in all lines of merchandise manifests itself. More  
and more do the people expect and require articles of genuine  
merit. In no line is this tendency so marked as in ladies' ready-to-wear garments and dress goods. That in a  
measure accounts for the phenomenal success of the McAllen & McDonnell stores. People understand and appreciate the  
fact that Quality Counts. "The something for nothing" fellow  
has been relegated to the rear. Nowadays the average customer is able to and does separate the chaff from the grain.  
Our business is founded on quality. This method has stood  
the test for many years.

**NOTE**—On account of Morrison street bridge being closed to travel, we allow ROUND-TRIP  
CAR FARE within city limits, on purchases of \$1.00 or over. Please ask the clerk.

## Tailored Suits

Critical buyers who have inspected all the different lines tell us that our  
Suits have better style, are better tailored and worth considerably more  
than the suits usually shown.

## Misses' Suits

of perfection, and can only be judged
