FRANCHISE CASE TO BE SETTLED

Attorneys for Defendants at Oregon City File Amended Complaint with Clerk.

PLAINTIFF CITED TO APPEAR IN PORTLAND

County Judge Dismisses Charge of Insanity Against Charles F. Horn.

(Special Dispatch to The Journal.) Oregon City, Dec. 14.—The attorneys for defendants in the injunction case of S. A. Chase against Oregon City and others yesterday afternoon filed an amended complaint with the county clerk in the suit now pending against the city to prevent them from granting a perpetual franchise to the railroad company along Bluff street.

Defendants also filed a notice to the plaintiff and her attorney to appear at room 609 in the Fenton building at Portland, at 8:30 o'clock this evening, or as soon after as convenient, for the purpose of calling up the motion of defendant to dissolve the injunction before Thomas A. McBride.

This motion to dissolve the injunction came up several weeks ago before Judge

McBride, but owing to the nearness of the city election he thought best to wait and perhaps the election would put an end to the affair, but since then the franchise people have been after him and are determined to have the matter settled before the new mayor and council take their seats, January 1.

Mora Case Dismissed.
An order was made yesterday by County Judge Ryan dismissing the charge of insanity that has been pending against Charles F. Horn of Oregon City for the past month. Horn is 41 years of age, and came to this city from Pennsylvania, and this is the second time that he has been dismissed from charges of insanity that were brought against him by his family. He is an old pioneer and a G. A. R. member in good standing.

Orders Elect Officers.
The Order of Eastern Star elected the following officers last night: Worthy matron, Mrs. R. C. Ganong; worthy patron, J. E. Hodges; associate matron, Mrs. Charles Frissell; secretary, Alvina Horn; treasurer, Mrs. J. H. Walker; conductress, Mrs. Tillie Miller.

The Modern Woodmen held a meeting at its hall last night and elected as officers: G. Grossenbecher, venerable consul; Charles Mosier, adviser; G. Rosenstein, banker; G. W. Bigam, scout; Mr. McGowan, Charles Wright and E. F. Story, managers; F. Cross, inside sentinel; Luther Moore, watchman.

Banquet to Be Given.
The chief of the Oregon City fire department announces that a banquet will be given on the evening of December 22 at the rooms of the Columbia hotel and ladder company.

SHEEPMEN OF WALLOWA CLOSE WOOL CONTRACTS

(Special Dispatch to The Journal.) Enterprise, Or., Dec. 14.—Wool in this county has begun to move in earnest. R. C. Mays, who is buying for S. Koshland & Co. of San Francisco, last night closed the contracts with the sheepmen of this place for 1,900,000 pounds of wool.

As a result the sheepmen as well as other business men of this place are in a happy mood today, rejoicing in the fact that they have a "clinch" on 16 cents a pound for their 1925 wool clip. Regardless of the fact that there are two other buyers in the field, Mays is getting all the wool, neither of the other buyers having been able to secure a pound of wool so far.

On the sales made last night Mays turned over to the sheepmen of this vicinity \$23,000, this being one third of the contract price of the wool. This amount will relieve the sheepmen to a great extent, as money is always very scarce with them at this time of year, and they are often compelled to borrow at a high rate of interest.

By tomorrow Mays expects to have the entire clip of the county contracted for, which will amount to about 2,900,000 pounds.

Owing to the fact that he apparently has the confidence of every sheepman in this section there seems to be small chance of any other company than Koshland's securing much wool in this county next year.

SALEM PET STOCK AND POULTRY SHOW OPENS

(Special Dispatch to The Journal.) Salem, Or., Dec. 14.—Tomorrow morning will witness the opening of the second annual exhibition of the Salem Poultry and Pet Stock association. Already the entries are pouring in from all over the state, and this promises to be a larger show than its predecessors.

Workmen were busy yesterday arranging the tables for the coops of poultry and the benches for the dogs. As fine a lot of dogs as ever goes into a show will be on exhibition, among them being Woolton Bang, owned by Frank J. Moore of this city. Beau, also another Salem dog, owned by G. Steiner; Minnesota Joe, of The Dalles, owned by H. F. Zeigler, and who became a champion at the Salem show last winter. There will be also a fine Cocker, owned by E. P. Willis of Portland, that has never yet gone down to defeat in the show rooms, and many of equal quality. The display of chickens and turkeys bids fair to be far above that of last year, and with the fine, new coops, all uniform, will make an attractive show.

OLD OFFENDER SENTENCED.

(Special Dispatch to The Journal.) Salem, Or., Dec. 14.—William Henry, the old offender arrested by Chief of Police Gibson on Monday for stealing two pairs of boots and a pair of pants from the rear of Kay's saloon in this city, was arraigned in City Recorder Judah's court yesterday upon the charge of petit larceny. Henry pleaded guilty to the charge and was sentenced to serve 60 days in the county jail.

ARE YOU SICK?

If so, where? Headache? Dry, hacking cough? Foul tongue? Loss of appetite? Lack of energy? Pain in stomach? Bowels? General weakness? These are but a few of the signs of indigestion. Some others are: Wind in the stomach or bowels; constipation or diarrhoea; pale complexion; spots before the eyes; dizziness; loss of flesh; irritability; sleeplessness; nervousness. All these symptoms will plague and torment you, and will never permanently leave you, unless you suffer from them; only are sure, in time, to get worse, if not treated by the best known scientific method of cure—Stuart's Dyspepsia Tablets.

These curative tablets are composed of ingredients which modern knowledge of the true inward processes of digestion approve of, as forming the best, safest, surest and most scientific combination of medicinal drugs, that can be used to relieve all the conditions of ill health brought on by this much-dreaded disorder. A disease so "protean" or changeable in its manifestations, assuming so many forms, characterized by so many different symptoms that, more times than not, it is mistaken for some other disease altogether, and the poor patient may die, or at best allow the seeds of permanent, chronic sickness to germinate and take root in his system.

So it is a real danger we ask you to avoid, when we say: In case of doubt, take Stuart's Dyspepsia Tablets. Even if disordered digestion is not the real cause of your sickness (which, probably, though, it is), yet your digestion is nearly certain to be out of order, and if allowed to remain so will seriously complicate your sickness for you. Take Stuart's Dyspepsia Tablets, then, will be sure to do you good, and will not interfere with any other medicine you may be taking. They will help to make your food make you strong, and thus, if in no other way, help you back to health by helping your system to throw off disease like a healthy duck shakes water off its back. Shake off your sickness with Stuart's Dyspepsia Tablets.
