Start Your Boy and Girl Right

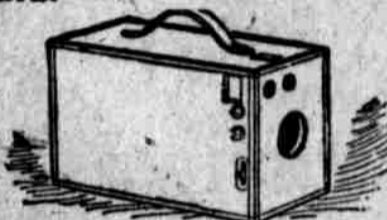

The boy with a camera is never a cigarette fiend; his interest is along higher lines. The child who loves to picture the beauties of nature and life is not going to go bad very far—that's been our observation during 40 years of camera selling, and we see all sides of it.

Good Cameras are Cheap—We've Made Them Popular

Baby Anso

No. 1 at \$1.00 and the No. 2 for \$2.00 are best suited for children under 10 years. Above this age select the
