The Bustling Spirit of Christmas...

Is again circulating in our midst, proclaiming in its own breezy way the near approach of Yuletide, that most delightful of all seasons of festival and good cheer; a period of the year when friend remembers friend; when presents, those speechless tokens of regard and quickeners of our kindlier feelings, are passing—and re-passing among us. The thought uppermost in the minds of many people as Christmas approaches is, "What shall we give?" Let us admonish you to give something sensible and useful as well as ornamental, something that will comfort and beautify the home. Our store is simply overflowing with just such gifts. Our prices will cause them to become your property on sight. Never before have we made such elaborate and extensive preparations for the Holidays.

The Glee and Mandolin club of the University of Oregon will give a concert of much interest to the music lovers of Portland tomorrow evening in the auditorium of the High school. There are quite a number of Portland boys in the club, and no doubt they will receive a hearty welcome from their many friends. The city is represented by Harvey Glafko, St. Clair Thomas, Horace Fenton and Robert Rountree. During the concert Mr. Rountree will appear in monologue specialties, in which he is very clever, for it will be recalled, the success he made in "The Amerc," given by the Multnomah club

last spring. During the early season the club have given a number of concerts in eastern Oregon and the Willamette valley. At each place they have been enthusiastically received, and the music they rendered earned the praise of the press and critics. The program which has been prepared for Portland is one of interest, and follows: A Toast to Oregon..... University Glee and Mandolin Clubs Hop Lee (Chinese Dance)..... Mandolin Club. Hai Hai Hai..... Abt Glee Club.

"On a Street Car"..... Mr. Rountree Floating Idly..... Atkinson Mr. Abbett and Glee Club. Alamo Love..... Mandolin Club Love's Language..... Hearts Glee Club. The Swell..... DECIDE TO HOLD FOUR MEETINGS

Good Roads Association Adjourns Second Annual Convention at Salem.

ADOPT RESOLUTIONS BY UNANIMOUS VOTE

Counties Willing to Pay Expenses of Conventions to Be Favored Ones.

(Special Dispatch to The Journal.) Salem, Or., Dec. 14.—The Oregon Good Roads association concluded its second annual convention here with the close of its session yesterday afternoon. A decision was arrived at whereby four meetings will be held next year. These meetings will be held quarterly. Eastern Oregon is scheduled to get two of these conventions, the Willamette valley one and southern Oregon one. The meetings will be held in the counties that will pay the expenses of holding them. The sum of \$500 will also be asked of the legislature in the form of an appropriation to pay the expenses of the Good Roads association. After discussion the following resolutions were adopted by unanimous vote: Resolved, That the best interests of encouraging the building of good roads throughout the state would be subserved by the association holding four meetings annually, one to be held in southern Oregon, one in western Oregon and two in eastern Oregon, at such times and places as may be selected by the executive committee. Resolved, That we favor national and state aid in road building, and recommend the appointment of a commission to disburse the amounts appropriated. Resolved, For the safety of the traveling public and the preservation of our improved county roads, we would recommend the enactment of such legislation as would empower county courts to make rules and regulations regulating the usage of public highways and the traffic over same. Resolved, For the purpose of opening, changing and improvements of county roads and the reducing of grades thereon we would recommend enactment of laws conferring upon county courts the right of eminent domain, thereby permitting them to condemn private property for such public purposes in the same manner as now exercised by railroad and public corporations. Resolved, That the sincere thanks of the Southern Pacific railroad for the substantial aid rendered in the good roads movement by granting low rates of transportation for delegates; to the press of the state for reporting the proceedings of the convention so fully, and to the Salem Commercial club for cordials extended; to the city of Salem for the use of the hall; to the Stalwart quartet and to Professor McElroy's orchestra for the very excellent vocal and instrumental music; to Beall & Co. and the Buffalo Pitts company for the excellent banquet provided at the Willamette hotel, and Hon. John Albert for providing special transportation for visiting delegates to inspect the model road leading from Salem to Liberty. JAMES WITHERCOMBE, H. J. HUBBARD, J. O. BORTHE, H. HAYNES, THOS. F. RYAN, Committee.

BLUE MOUNTAIN GRANGE OPPOSES APPROPRIATION

(Special Dispatch to The Journal.) La Grande, Or., Dec. 14.—Blue Mountain grange No. 545 of Union county, Ore., is opposed to the appropriation of \$150,000 by the Oregon legislature for the Fort Stevens railway. At its last meeting it was agreed that it did not believe that the benefits derived by such building would justify the heavy expenditure necessary to build the same, and that it believed that the ship canal which the federal government proposes to build is the only means of beneficial improvement in transportation. A Grants Pass man has been offered \$15,000 for a supposedly played-out mine for which he paid \$480.
