pacter's Annual Message.

(Journal Special Service.)

Harrisburg, Ps., Jan. 3.—The Pennsylvania legislature assembled today. Governor Pennypacker in his annual message dealt with a large number of matters of importance to the state, advocating among other things a new senatorist and representative apportionment und recommending legislation reducing or abolishing the fees of various state officials. Other matters touched upon in the message were the appointment of additional bank examiners and new legislation in connection with the "enabling aet" passed by the last legislature for a Greater Pittsburg.

At the close of its session abday the legislature will adjourn until January 17, when it will reassemble to ballot for a United States semitor in place of the late Senator Quay. Senator Knox, who is serving by appointment a portion of the unexpired term of Senator Quay, has announced his candidacy for election to a full six-year term. Schator Knox's candidacy has the indorsement of the Republican organization leaders and he probably will receive the unanimous vote of the party caucus.

The last dispatch from Stoessel, dated December 28, Stated: "The position of the fortress is becoming very painful. Our principal enemies are scurvy, which is mowing down the men, and 11-inch shells, which know no obstacle and against which there is no protection. There only remain a few not attacked by scurvy. The tale of the losses of our higher officers is an indication of the enormous-losses we have sustained. Of 16 generals, two—Krondratanko and Serpentsky—have been killed, Rasmatovsky is dead, two are wounded—myself and Gennaroira—white Gorbatowsky is suffering from contusions. Of nine regimental commanders, three are killed and four wounded."

Advertising Sale of Umbrellas

This Sale Is to Advertise Allesina's Exclusive Umbrella Factories.

We are the makers of the WIND PROOF = AND= RUST-PROOF UMBRELLAS

They cost no more than the comnon kind, but wear twice as long

ADVERTISING SALE-We want every one in Oregon to know that Allesina is making and selling the best Umbrellas for wear and rough usage to be had any place at any price. In order to get you to help us advertise this fact we are having what we call our Advertising Sale.

SALE PRICES-Our regular prices are much less than the price you would pay any one else for Umbrellas of similar quality, for we manufacture our Umbrellas and they are really sold at factory prices. During this advertising sale all of our factory prices are greatly reduced, for half of the money we are appropriating for advertising for 1905 will be spent in reduced prices. We believe that if you are well pleased with the Umbrella you buy of us you will do more advertising for us than if we had spent this money in some other way. You must see the Umbrellas themselves to appreciate the bargains we are offering.

UMBRELLAS OF QUALITY-Our Umbrellas are different from the common store umbrella. We have made a life study of how to produce the most wear and rain protection, as well as neat appearance, for the least money. The result is that we are using special frames, finished with brass, to make rusting impossible, and our patent Hercules frame is windproof and cannot be turned wrong-side-out. We also use special materials made and selected especially for us. We cut and make up this material from our own exclusive patterns.

During our advertising sale we are selling these Umbrellas at prices much lower than you would have to pay elsewhere for common store umbrellas. All of our fine Umbrellas are sold at just the price of the handles. See our window display and if nta Claus did not give you one you will be sure to buy an
