Throngs Are Stepping Storeward Today to Share the Opening Bargains of This Fourth Week of the Year's Most Important Event in Merchandising

THE GREATEST RECORD EVER MADE BY THIS OR ANY OTHER PORTLAND STORE WAS ROLLED UP LAST YEAR. That record must and shall be beaten in every respect this year. This is the task we have set ourselves, and we've made prices for this Fourth Week of the January Clearance Sale that shall leave leagues of clear water gain in our wake for the year's first month. Remember, contract goods alone excepted. EVERY ARTICLE IN THE HOUSE IS REMARKABLY REDUCED. Read of the extra specials on this page—examples of the thousands not listed in print, but awaiting your onslaught. THESE ARE THE OVERFLOW FROM YESTERDAY'S PRINTED PAGE OF REMARKABLE VALUES.

Annual January Clearance of Housekeeping and Hotel and Restaurant Supplies

The values have grown with the weeks and will be greater this week than ever before in the store's history. This sale is conceded to offer the supreme buying advantages of the year. If there is one thing more than another that this great store prides itself in, it is the unapproachable values and high standard of quality represented in its several lines of merchandise designed for use of the housekeeper and hotel and restaurant folk. Goods of commendable character reduced to a mere fragment of actual worth for quick clearance to make way for goods now on the road. Of course you can understand well that this is not an ordinary "sale," gotten up in a day or two, but a sale that required months of preparation, allowing our representatives ample time to bring together from the world's leading markets a character of offerings that are in keeping with Olds, Wortman & King standards. Not all the bargains can be listed; not even all of the best, but consider these examples of two great floors full of unmatched values, just fair examples. And the clearance sales end in three weeks, February 4. Buying time is growing short, if you'd save by the clearance.
