

EAST AND WEST MAY HOLD MEET PROSPECTS OF INTERSECTIONAL MEETS ARE BRIGHT FOR THE FUTURE.

COLUMBIA-WISCONSIN GAME A FORERUNNER RECENT DUAL MEET AT NEW YORK IS OF GREAT SIGNIFICANCE TO COLLEGE MEN.

(Journal Special Service.) New York, Jan. 24.—An event of great interest in college athletics occurred here this week. From the west there came to New York one of the fastest basketball teams in that section. It represented the University of Wisconsin and played Columbia's lightning five and was beaten. It is possible that so large a crowd never saw a college basketball game before in this city, and it is certain that no crowd ever enjoyed one more. It is to be hoped that this is the beginning of a series of inter-sectional contests between the college men of the east and west in all branches of athletics. If in rowing, track events and now basketball, we can have East vs. West contests, why not in football and baseball as well?

In this same line is the announcement that the water polo committee of the Chicago A. A. have arranged for a series of water polo games between the club team and several of the large eastern and western college combinations. Although the exact dates on which the games will be played have not as yet been decided upon, Chairman Brown says that the Yale team will play the club team early next month, and that the Wisconsin and Chicago university teams will also play during February. The more of these kind of contests the better.

AMERICAN YACHTSMEN FOR FOREIGN WATERS MANY YANKEE SKIPPER PROPOSE TO CONTEST IN TRANS-ATLANTIC RACE.

(Journal Special Service.) New York, Jan. 23.—Unless all elms fall the coming season will see more American yachtsmen in foreign waters than ever before. The trans-Atlantic race for the cup offered by the German Kaiser, which is being prepared for this state of affairs. Three American yachts are already formally entered for the event, which starts off Sandy Hook on May 15. There are excellent prospects at least as many as our boats will be at the starting line for the long, tedious journey. There has been a great deal of talk of either Columbia or Constitution, or both the Herreshoff 50-footers, starting in the race under the best rig. It is known that C. Oliver Iselin is anxious to take the last-named creation across. The prospects of modern cup yachts coming to their shores has attracted English sportsmen looking around for something suitable to meet them on the other side, should the cruising rig be removed when the ocean race is over and a bit of real live sport wanted in the racing canvas be indulged in. Kenneth M. Clark's Kariad is pointed out as about the only available creation suitable to measure sailing prowess with either Columbia or Constitution. That has been some doubt as to whether she would fit out this year or not. Mr. Clark is considered one of the sterling yachtsmen on the other side, and it is thought would put Kariad to commission, should public sentiment be toward that end.

The articles call for a 16-round go at 140 pounds. Fitzpatrick is the favorite, although Robinson's past performances warrant the belief that he will give his opponent a hard fight for the honors.

POOL TOURNAMENT NEXT ON PROGRAM INTEREST AMONG THE MULTNOMAH AMATEUR ATHLETIC CLUB'S CUE WIELDERS IS INCREASING.

The final game in the Multnomah billiard tournament will be played off this evening when Stanley L. Banks (48), who defeated J. H. Rogers (59) last evening, matches even with C. W. Zeller (49) at 8:30 o'clock. Banks played in splendid form last evening in the match with Rogers, and although he averaged only 1.33, his play was careful and accurate. Rogers' average was 1.9. The match this evening by exciting a great deal of interest in club circles, and a large delegation of the billiard enthusiasts will be on hand to watch the contest, which will decide the club championship and the winner of the first and second prizes. There are now 15 entries for the coming pool tournament, and more are expected before 12 o'clock Saturday night when the lists will be closed. DIZZY SPELLS THAT DIZZY SPELL IS AN IMPORTANT MESSAGE FROM THE HEART—A PLAN FOR HELP. IF THIS MESSAGE RECEIVES NO ATTENTION OTHERS COME SHORTNESS OF BREATH, DEPRESSION, WEAK OR FAINTING SPELLS, SMOTHERING OR CHOKING SENSATIONS, PAINS AROUND THE HEART, IN ARMS OR SHOULDERS, AND SO ON, UNTIL IT RECEIVES THE NECESSARY HELP, OR IS COMPELLED TO GIVE UP.

Dr. Miles' Heart Cure which cures heart disease in every stage. Every day we read of sudden deaths from heart disease, yet it is a fact that the heart had been pleading for help, and gave up the struggle only when it had exhausted its last spark of vitality—and they call it sudden. For more than six years I was troubled with my heart. I would have dizzy spells, then difficulty in breathing, choking sensations, my heart would flutter, become painful, I could not breathe, I lay down, I commenced taking Dr. Miles' Heart Cure, and in a few weeks I was entirely cured. CORVALLIS COMES TOMORROW NIGHT Will Contest With Local Y. M. C. A. for Honors at Game of Basket-Ball.

Tomorrow night will be a big game at the Y. M. C. A. Both the first team and the Tigers are scheduled to play match games with visiting teams. The opening game of the evening will be between the Oregon Agricultural college team of Corvallis and the first Y. M. C. A. team. This will be followed by a game between the Oregon City association team and the Tigers. Both of these games promise to be fast and exciting. The members of the first team have been practicing faithfully for the past few weeks, both on the floor and on the track, and are in nice trim and eager to try their mettle. Captain Freeman has put in some hard work and a great deal of time getting his team into shape, and if perseverance and good hard work can accomplish anything his team certainly ought to put up a strong game. This is practically the team's first encounter with a strong outside aggregation, and considering the reputation the Corvallis team has for fast ball, there will assuredly be demonstrated some of the fine points of the game. The Tigers are not unknown to fame, having played under lucky stars in the majority of their games this season. So far they have only two games. The Tigers have played fine ball in the past and, without doubt, intend to keep up the good work. There will surely be something doing at the Y. M. C. A. tomorrow night. The line-up of the senior teams will be about as follows: Y. M. C. A. Position Corvallis. Durrant.....Forward.....Swan (C.) Thornton.....Forward.....Stokes Livingston.....Center.....Cello Freeman (C.).....Guard.....Rietter Schramm.....Guard.....Rinehart Schwartz.....Subs.....Moore, Benson and Byou.
