

TO LOOK INTO
CONVICT LABOR

Proposed Macadam Road to California Causes Investigation By Committee.

BOOTH'S MEASURE IS HELD UP IN HOUSE

Present Lessees Said to Be Unwilling to Contract for Two Year Terms.

Senator Booth has introduced a concurrent resolution in the state senate providing for the appointment of a commission to look into the feasibility of constructing a macadam road from this city to the boundary line of California.

County Judge Webster of Portland drafted the resolution, which has passed the senate and is now before the house committee on resolutions.

Whereas, the improvement of the public roads of this state is of paramount importance to the people and should be assisted and encouraged, and

Whereas, it is believed that the building of a macadam road from the city of Portland to the California state line would be of great value to the people of the state and would greatly encourage the building of similar roads adjacent thereto and in other parts of the state, and

Resolved, That the secretary of state be and he hereby is directed to audit and report on the feasibility of such a highway, and

Resolved, That within 60 days after the passage of this resolution the governor be and he hereby is authorized and directed to appoint a state road commission to consist of five members, who shall act without compensation and whose duty it shall be to carefully and thoroughly investigate the feasibility of the construction of a macadamized road from the city of Portland south to the California state line by employing the labor of the convicts confined in the state penitentiary.

Resolved, That the secretary of state be and he hereby is directed to audit and report on the feasibility of such a highway, and

Resolved, That the secretary of state be and he hereby is requested to enter into any contract for the labor of convicts in the penitentiary which shall extend beyond the 1st day of July, 1907.

AIMS DEATH BLOW AT THE UNDERTAKER

About 200 people gathered last evening at Elks hall to hear a lecture by Harry Gaze of Los Angeles on the subject "How to Live Forever."

The body is literally and completely re-created in less than one year by virtue of molecular change, and during this period a new body is constructed, molecule by molecule.
