## A Scholarship Free Furnished by This House By Popular Vote

"Know the true value of time; snatch, seize and use every moment of it."—Earl of Chesterfield.

Have you ever realized the value of odd moments? It has been stated that the average man spends nine hours out of the twenty-four in work, nine in sleeping and eating, and the remaining six in recreation. In the year this spare time amounts for the equivalent of ninety-one days of twenty-four hours each. Just think of it! Ninety-one days spare time each year at your disposal—do with it as you please! What are you doing with this spare time? Is it spent in the pursuit of pleasure or in aimless, misdirected effort? Your spare time is worth money to you if you know how to cash it. It is the holidays, the evenings, the spare moments that try character. Some one has said, "Find out how a young man spends the hours between sunrise and bedtime and you can accurately foretell his future." If you have been wasting your spare time, stop! Use it to better your condition—to get out of a poor position into one that means a better salary and greater opportunities.

It won't take so much of your time either. An hour a day put in in good, earnest, definite study will in from six to nine months, advance you in both place and salary. We provide the opportunity, and will furnish all needed text-books FREE with the scholarship in the P. C. Schools to the person selected in this voting contest. A vote with every 25c purchase. Contest closes at 6 p. m. Saturday, April 23. No votes for employes of this house will be counted. The reason is obvious.

# AS THE CLOCK TICKS

## Two Monster, Magnetic Saturday Attractions

Supported by a Surpassing Aggregation of Matchless Values in Every Section—On Every Floor!

For—remember, this store closes at 6 p. m. on Saturday, as on all days. It's all hypocritical poppycock for a store in this 20th century to say they "keep open" to accommodate the masses of workers. The fact that every store of any account in every large city of this broad free Country does close every evening at 6 o'clock, or earlier, shows the absurdity and falsity of such a ridiculous statement. For 'tis to the working masses these stores owe their very life and 'tis the workers that benefit from the early closing hours of this modern, progressive store. This is our honest, straight-from-the-shoulder view of the matter, from a down-to-date view-point. Other good merchants may differ—a privilege allowed by the Declaration of Independence. But should you favor our view, please shop before 6 p. m. on Saturday.

Today the 2d of Stupendous Renovation Slaughter Sale of Women's Apparel, Suits and Other Garments Ready-to-don. And the 3d in the Series of Grand Hourly Sales!

## THE SENSATIONAL RENOVATION SALE of Women's Wear Continues Tomorrow

Values Almost Unbelievable! Bargains Absolutely Unparalleled!

"Gainful transactions" that are simply unmatched await tomorrow's patrons. An awful, tremendous sacrifice on women's ready-to-don garments that surpasses any offering of any sort ever handed to Portland women. It's an almost "help yourself sale." You'll hardly believe your eyes when you read the prices; you'll marvel still more when you see the splendid garments those prices are attached to. Happy, satisfied throngs were here today, and even greater ones will come tomorrow to this Veritable Slaughter Sale.

It is the quickest moving of merchandise ever known in the west, if not in America. If you've been on the second floor this week you'll know the reason for such wholesale massacre of prices. Those who've been here know that pandemonium reigns! Carpenters and painters have complete possession. Scaffolding is everywhere, and business is driven into a corner. There's a hurly-burly and a hubbub that's positively frightful.

### The Magnificent Garments Are in Danger!

We've been compelled to move every piece of merchandise on the floor. Now, if you can stand the discomfort of mingling with the workmen and their noise, and wending your way under scaffolding and ladders you'll be privileged to share in the GREATEST DISTRIBUTION OF BARGAINS EVER ATTEMPTED IN THE WEST! The goods must be got out of harm's way no matter what the loss. We prefer to benefit our patrons than to risk a loss by damage during the renovations going on. We'll lose hundreds of dollars in this sale—yes, perhaps thousands—but you'll be the gainers. Be amongst the early ones.

**Sale Ends at Closing Time Saturday**  
THINK OF BUYING A \$28.50 TAILORED STREET SUIT AT THE OLDS, WORTMAN & KING STORE FOR \$4.98—then come here tomorrow and realize your anticipations. EXTRA SALESPEOPLE AND FITTERS ON HAND—Three Elevators—Second Floor.
