I Bought a \$25,000 STOCK

Of High Grade, Misfit, Uncalled-for, Unclaimed, Undelivered Tailor-Made Clothing from the Associated Tailors of Chicago for

SPOT CASH

This stock must be paid for immediately upon arrival in Portland. And in order to RAISE THE MONEY, which must be done, no matter what the consequences, so from

Now Until Feb. 25, and No Longer

Every Suit of Clothes, Every Overcoat, every Pair of Pants, every Odd Coat, every Coat and Vest, every Odd and Fancy Vest, etc., will be sold at exactly

ONE HALF

the prices these goods have been selling for even during my present tremendously low price Clearance Sale.

To raise the Money, and raise it quick, to do the business in the next eight days, I have cut the price of everything in my store to exactly half price.

That is to say, Suits selling during my Clearance Sale at \$7.50 will now go at \$3.75; Suits selling now at \$10.00, actual \$25.00 and \$30.00 Tailor-Made Garments, will now go at \$5; \$35.00 Suits that sold at \$15.00 will now be \$7.50; \$15.00 Top Coats, Overcoats and Cravenettes I have been selling for \$10.00 will now go at \$5.00; \$20.00 Overcoats and Cravenettes I have been selling at \$12.50 may be yours at \$6.25; \$40.00 Cravenettes and Overcoats I have been selling during my Clearance Sale at \$30.00 will be yours at \$15.00; \$40.00 Sack, Frock and Prince Albert Suits I have been selling for \$19.95 will be, until Saturday night, February 25, \$9.90; \$5.00 Pants I have been selling at \$2.50 will go at \$1.25; \$7.50 Pants I have been selling at \$3.50 will go at \$1.75; Coats and Vests from \$20.00 to \$40.00 Suits will go at \$2.50; Odd Coats worth up to \$15.00 will be \$1.75; Odd Vests from \$25.00 and \$30.00 Suits, worth \$3.00 and \$4.00, will be \$2c; \$8.00 Trousers, \$2.00; \$10.00 to \$12.00 Trousers, \$2.50, and so on all along the line. I Am Compelled to Raise Money

To pay for the carload of goods now on the way. My loss is your gain. Every man who wears clothes should avail himself of the opportunity to lay in a supply to last him for the next five years, as the prices the goods will be sold for will never be equaled again on this Pacific coast.

Today I will send out 20,000 circulars explaining more in detail about this sale. Every circular will be numbered. Bring the circular along with you. Look at the number; if it corresponds with the number on any article in my windows, it is yours FREE. I am going to give away

200 Suits Free

of any charge whatever. All you have to do is to carry them away. I will also give away about 50 Overcoats and 100 pairs of Trousers.

Keep Your Circular

If you do not see your number in the window the first day, come the next, as it may be there then. As soon as one number is gone another will immediately take its place.
