Spring Styles in Women's Smart Suits, Frocks, Gowns and Coats From Authoritative Fashion Sources

GRAND SALONS OF DRESS—SECOND FLOOR

Largest and Foremost Suit and Wrap Store West of Chicago!

The newest in Spring Styles in Women's Smart Suits and Jaunty Jackets is flocking here daily—it's homing time for the new fashions. And the proving-ground for Portland is the big Salons of Dress on our spacious Second Floor—enlarged to twice the size occupied last season.

AN IMPRESSIVE SHOWING IS READY

Though not a complete array as yet. The new styles will be unfolding as spring advances, as do the petals of a rose when the sun coaxes. But you depend on this store for earliest forecasts of fashion, and these first inklings are of authentic styles—selected with the certainty that comes with access to the jealously guarded secrets of fashion; a knowledge that has made—OLD, WORTMAN & KING the paramount authority on dress.

It's to be a fancy season in tailored, style—put that down as a certainty. The erstwhile severely simple tailored lines are lost in the elaborations of pleats, shirtings and ornate trimmings—tailored styles have almost the effect of frocks. No woman need be disappointed of her cherished wish as to style, either—the diversity of choice is so wide. There are Blouse Jackets in the soft effects so much liked, there are Blouses, suits with the coffee-coat effect, short box styles, and the stable fitted back coat or semi-fitted coat. But whatever the style, look for broad shoulders, sleeves full at top and to elbow, and ending in cuff, gauntlet or cuff effects, as a rule.

NEW STREET SUITS.

In jacket, Blouse and tight-fitting effects, in materials of Homespun, Serges, Chevots, Panno Chevots, Broadcloths, Panama Cloths, Mohairs and handsome exclusive patterns in Mannish Mixtures. A full color line, embracing blues, greys, browns, greens, tans, blacks, mixtures and the ultra-fashionable shepherd plaid and checks. The price range is wide. No matter whether it's the modest tailored suit at \$12.50 or the more elaborate grades ranging along by easy price steps to the aristocrat at \$125.00. Each suit is best at its price.

THREE MORE DAYS OF THE GREAT RE-ORGANIZATION SALE of GOOD SHOES

MIND YOU, WE SAY "GOOD SHOES." FOR IT'S THE LEATHER IN THE SHOE THAT COUNTS, AND WE NEVER SOLD ANYTHING BUT GOOD SHOES HERE—NEVER DID AND NEVER WILL—NO MATTER WHAT THE PRICE ASKED.

The average active business man takes from 4,000 to 6,000 steps a day, which means that his shoes hit the ground an average of 5,000 times, with a force of perhaps 150 pounds behind them. The woman who goes shopping strikes the ground with less force, but probably twice as often. It takes sound leather and sound workmanship to stand the strain, and the combination costs money. As good a shoe as a man can reasonably wish will be found in our regular stock at \$3.50. It's a shoe of same quality that sells elsewhere in the country for \$5.00, and it's well worth it. Splendid shoes of finest workmanship and leathers, very newest, down-to-date styles, at \$3.50 \$4.00 \$5.00 and \$6.00.

NOW ABOUT THE SALE OF SHOES.

For three days only we offer the discontinued lines discarded by the new management at these wonderfully low prices: WOMEN'S \$4.00 AND \$5.00 SHOES FOR \$1.25. 220 pairs of Ideal Kid and Fine Imported Vici Kid Shoes, "Adonis" lasts, low cuts, best \$4.00 and \$5.00 value; to close, pair.....\$1.25

Women's Undermuslins Art Pieces and Infant's Goods, Special Values

Who sets the fixed values on undermuslins? Standard, dependable stores of the Olds, Wortman & King class—do they not? We have known some undermuslins we sold regularly at \$2.00 the piece to be advertised with a flourish as a "great special value" by another store at \$2.19. And as it happened—identically the same make and grade of garment. Evidently we bought with a shrewder knowledge or else are more conservative in stating values. This trio mentioned below are "special values."
