**End of the Week Bargains**

Join Hands With First of a New Season's Style Shows in a Grand Carnival of Saturday Selling:

Spring music fills the air in one grand anthem. The theme is "Authoritative Fashion," "Latest Style Modes," "Newest Dress Themes," but underlying it all is the strong tone of genuine bargains—of lowest prices in the city on dependable merchandise. It's a genuine pleasure to stroll through the store these spring days; at every turn new beauties greet the eye. Here is a vast gallery—an exposition on a grand scale of the world's best products. The highest development of art in merchandise conjuring surrounds one at every step. An enthusiast would spend hours in studying the new effects, the new designs in fabrics, laces and dainty embroideries, the new garments and pretty hats—and we might go on with mentions until we filled a page—but, after all, a study of the PRICE TICKETS is what interests the great majority. Below you may read of what a few have to tell. Remember the store closes daily, Saturday included, at 6 p. m.

Largest and Foremost Suit and Cloak Store West of Chicago  
Second Floor—Grand Salons

**Best Suits We've Ever Had Are Here**

Suits that rival and in some ways surpass our best efforts since we opened this store. The brain of the designer, perhaps unwittingly, has put into concrete form, shapes and color combinations that are rare and artistic—so different from the every-day sort that they mean everything to the woman who wears them. If you, like your hundreds of sisters, want something different, you will come here, just as they come here for it. And the prices are lower. Yesterday we saw in another store window a suit that was the exact replica of one we have marked **\$35.00**. It was marked **\$40.00**. Wouldn't you as soon save that \$5.00? It's seldom, indeed, that the duplicate of a suit of ours is shown elsewhere in town; but, as in this case, when it is, it sells for less here.

**NEW STREET SUITS**
