Perfectly Exquisite Suits For Spring Woman's Wear

A Peerless Exposition of Fashion's Latest Dress Edicts Formulated From the Big Salons of Dress—Largest and Leading Garment Stores West of Chicago—The Authoritative Center of Fashion in Women's Apparel in the West—Second Floor.
 SUITS THAT ALMOST EQUAL COSTUMES.
 In point of beauty and color introduction they are as artistic and beautiful as frocks. Yet the service is easily within the bounds of dressy tailored wear. Light-colored chiffon Broadcloths are a great deal in light in weight that they may be tucked and shirred like a bit of challie. Jackets are rather fanciful. A bit of canvas, a bright touch of velvet and high bodice girdles are all new features that you will like.
 The whole effect of the salons is spring-like. Given over to the first hint of blossoming and full-blown fashions. Don't trust a repetition of the best. Why, some of the suits are not duplicated beyond one, and won't be.
A WORD OF THEM.
 Suits that savor of spring's sunshine—with jaunty jackets in Eton, Blouse and Norfolk styles, single and double breasted; lengths ranging from 22 to 24 inches. Also the more aristocratic redingotes for those who prefer the long coated effects—these in 36-inch length. A choice of Panama Cloths, Serges, pretty Tweedish Fabrics, light-weight imported Canvas Cloths, Homespuns, fancy Wood Etamines and imported fancy-lined Coverlets are prime favorites among the smart dressers. In eastern style centers and promise to lead all other fabrics for dressy street wear. Shepherd plaids and checks are far in the lead of patterns, ranging in size from the tiny check to the more pronounced almost plaidish effect—these in black, whites and a full range of pretty and delicate colorings that find favor among spring style authorities. In plain colors, the navy has resumed its place as leader, with the rich golden browns as close competitors. Beautifully tailored, in exquisite workmanship. The price range gives generous choice. From the modest street frock at
\$12.50 to its Grander Sister at \$150.00

More than a Score of In-Between Prices, Each Representing the Best in Its Class

A striking novelty among these is the Silk Suspender Suit, with bodice of lace and skirt of silk, with silk suspender effect to match over the shoulders. Choice allows of a wide price range in choosing—\$12.50 and from that up to \$125.00.
WALKING SKIRTS.
 Cut fuller than in past seasons; light over hips and flaring toward bottom; some flounced. Replicas of the skirts of grandma's time when hoopskirts were in vogue, but without the hoops now. Materials favored are Etamines, Serges, Imported Alpaca, Panama Cloths, Brilliantines, Silks and Smart, Mannish Mixed Light-Weight Suitings. Priced at... \$2.50 to \$35.00 (The best values ever shown in Portland).
THE BEAUTIFUL HAND-MADE LINGERIE
 Soft and filmy creations that seem almost as delicate as the summer cloud that fits across the ether of earth's dome above us; lace affairs, perfectly exquisite in design and workmanship—products of the most expert needlewomen in the world. All hand-made and embroidered and worn in preference to silk waists by many this season... \$5.00 to \$35.00
 The largest assortment of Silk Waists in the city—all absolutely new... \$5.00 to \$75.00

THE IMPORTANCE OF THIS ANNOUNCEMENT to Portland women cannot be exaggerated. It conveys an intimation of the assembling of a clustering crowd of the world's brightest, prettiest and most exclusive Dress Fabrics. There's not a larger display or a more representative display in such rendezvous of fashion as New York, London or Paris.
 When we overlook this vast collection we are fired with enthusiasm, and we wish to convey the enthusiasm to you. It's a true saying, "The world is growing smaller," for the latest novelties that Parisian belles and London's and New York's fair votaries of fashion are exploiting you'll find at this, Portland's Largest and Best Dress Goods Shop.
 There is a well-bred air about them all, a bewitching beauty that fascinates, an attractiveness that charms, and an elimination of anything that has a tendency to the bizarre. Refinement is so evident throughout that there is not a piece to offend the most artistic nor the most sensitive aesthete.
 Some of the many new weaves we are showing are superb. A few are:

Beautiful Trimmed Hats At a Remarkable Price Reduction for Today

With scores of Hats coming fresh every day from our workrooms, the Millinery Salons have the look almost of a wholesale rather than a retail establishment. And still, in one important feature, they differ greatly. That feature is **EXCLUSIVENESS.** There's a charm about our hats that is found elsewhere. The efforts of our Milliners have been directed the past week toward the preparation of a beautiful lot of **FRESH HATS**. And **NO TWO OF THESE ARE ALIKE.** You'll find them smart and stylish. They'll make you look well until Easter—and after. They'll save you a full \$1.00 worth of quality, but they'll cost you only 75c's special price ticket from the **HATS**.
