PEOPLE ARE HEARTILY TIRED OF THE BURDEN

Fight to the Death in Los Angeles Between Automatic and Old Company.

There is considerable difference of opinion regarding the installation of another telephone system in this city. Hundreds have expressed themselves in favor of the proposed automatic telephone system...

Each company is making a strenuous effort to hold its field, and various inducements are held out to fasten on the use of the particular instrument they may happen to have, even to the extent of free service.

These are unbiased observations—we have no pecuniary interest in any matter whatsoever in the present telephone company of this city.
