LOCAL PLAYERS ARE PRACTICING DAILY

Patterson, Bill Haynes, Alex Oliver, Charlie Gray, "Slats" Hunter, Harvey Newell and Harry Crandall.

The players worked out in lively fashlen and will be in much better shape to put up a fast game Sunday.

One feature of last Sunday's game was the work of Collie Druhot, the crack broke the California record for the mile broke the California record for the mile.

young southpaw, who struck out nine men in the five innings he occupied

Druhot is in better shape now than seconds. Summary:
Seven furlongs—Ocyrohe won, War rimes second, Golden Ivy third; time, clubs this year. He has signed with Oakland, but since the change in man-agement of that club, has heard nothing from them regarding his status.

DIAMOND GLISTENINGS.

Virgil Garvin, the Portland star, demonstrated to Critic Harris yesterday that he is still capable of pitching a baseball game. He had no trouble in holding the Seals down after the second

McCredie and McLean continue to slug the ball and Eddie Householder broke into his regular fashion of bat-ting by lamming out a couple of doubles

McCredie's is a well balanced team of hitters as has been recorded in the games played so far. There are five or six of the Portland players who are likely to break up a game at any time.

Wen French is stated to give Hank Harris an idea of his capabilities in the twirling line this afternoon and the local fans are hoping that he will do as well as Essick and Garvin, who have held the Seals to two runs in as many games.

Seven

games.
Young Charlie Hall, the Seattle twirler, annexed the first no-run, no-hit game of the season yesterday, when not a single Oakland player could connect safely with his delivery. But for an unfortunate slip when he hit Bill Devergaux, the Ventura had would have equaled Cy Young's feat against the Athletics.
Waldron will arrive at San Francisco

equaled Cy Young's feat against the Athletics.

Waldron will arrive at San Francisco from the east Saturday. The fans of the bay city will be pleased to tearn that this will not interfere with "Kid" Spencer staying in the game. "As long as Spencer puts up the kind of ball he has been playing this week," says Hank Harris, "we will keep him in the right garden." Ike Walters, whose feet and arm have been ailing for some time, will probably take a rest, Waldron going into center.

Billy Hogg and Con Starkells the

center.

Billy Hogg and Con Starkells, the much touted "Phenoms" of the old Pacific National league, who were drafted by the New York Americans, were found wanting by Clark Griffith and farmed out to one of the American association minor league teams. Both these players were brought to Portland last season by Dugdale, and neither of them impressed the local fans as being players of big league calibre.

On the other hand two of the regular

players of big league calibre.

On the other hand two of the regular coast league players who were drafted have made good easily so far. They are Hai Chase of the Los Angeles club, who is with the New York Americans, and Orvail Overall, the crack U. of C. pitcher, who was with Tacoma last year, and is now a member of Joe Killen's Cincinnati Reds, who are expected to prove quite a factor in the National league race.

Fred Hodges, who was manager of the North Yakinsa team last, year is in Portland on his way to Eureka, Cal, where he is to manage that team in the Humboldt league which comprises the towns of Accada, Ferndale, Fortuna and Eureka. Hodges is a well known manager and former umpire in the Inland Empire league and will medoubtedly give Eureka a good team
