

# Grand Free Distribution of 2000 Lilies

Commencing at 7:30 o'clock tomorrow morning, Easter Saturday, The Chicago will distribute 2,000 choicest select Calla Lilies fresh from the lily fields of California. Every lady calling at the store will be presented with a fresh lily as our Easter compliments. No purchase required. They are as free as the water that flows.

P. S.—We begin this distribution at 7:30 a. m. sharp. First, to give the wage-earners an opportunity to secure a share of the beautiful flowers, and, second, to finish the distribution as early as possible, so that we can devote our undivided attention to the immense rush of business that Easter always bestows to this establishment. As during the time required to pass out the lilies to the ladies we expect to be compelled to almost discontinue business. Asking that those who desire lilies to be early birds,  
We are, yours respectfully,  
THE CHICAGO.
