

WEST SIDE MUST MAKE NEXT MOVE

Early Organization of Athletic Club Starts With the Pro-active Members.

EXTENSIVE CLASSES ARE BEING PLANNED

Thorough Course of Team and Drill Work for Old and Young Contemplated.

The east side office of the Journal is the headquarters of the West Side Athletic Club.

The plans for an east side athletic club have progressed to the point where it rests with the people of the east side and on whom the club shall be organized.

It is proposed to have the club organized on a cooperative basis, the members choosing their board of directors and those having the management of the club.

With the coming week or 15 days a poll will be taken of the east side men who would join the club if they were assured all the privileges they now secure in other clubs or classes.

SMALL BOY AT WORK

Edna Lee, Eight-Year-Old Girl, Wins First Prize in Spring Term Term.

The University Park Improvement League has adopted a novel contest to stimulate the interest of the boys in the work of the organization.

Other prizes will be offered, and from the interest the juveniles are taking the contest it seems probable that the boys will be a luxury in the district before the awards are made.

ALBINA HAS SKATING FEVER

The east side, especially the Albina district, is spending its evenings skating. The few days of ice last winter around the lake of the city.

GIVE AID TO HOMELESS BABIES

The benefit dance and social given by Joseph, Charles and Woodcraft Wednesday night netted a good sum to the fund for the Baby's home.

FACTORY SET TO BLOSSOM

The management of the Portland Woolen mill has commenced the parking of its site at St. Johns, and by the beginning of summer it is expected to have the entire plot in front of the mill planted to flowering shrubs, grass and flowers.

PIMPLE'S SKIN HEALTH
AND FADE WITNESS
CURED

All men are bound down by environment, according to Dr. Stephen S. Wise, in his sermon at the Passover services last night, and consequently no man is free.

HISTORIC VENICE ON "THE TRAIL"

The Carnival of Venice, which will be shown at the Lewis and Clark exposition by Bolossy Kiraly, reproduces the picturesque view of "The Queen of the Adriatic."

reconstructed by Marino Falleri in 1854, faces the sea. In the interior are several beautiful halls; the walls and ceilings are covered with beautiful paintings by Tintoretto, Paul Veronese and others.

the ground will be made a miniature park. The company desires to gradually relieve the barrenness of the brick walls and plant tall shrubs and trees, and as this is about the only manufacturing institution in or near the city that has ever adopted such a plan the work is arousing interest, especially among the workers who pass their days, and sometimes their nights, between hot bare walls.

CAN'T CURE COWS OF TUBERCULOSIS
But There Is No Danger to Children From Milk of Infected Animals.

J. W. BAILEY SAYS GERMS NOT INTERCHANGEABLE

Dr. N. J. Fulton, Naturopath, says that the germs of tuberculosis are not interchangeable between humans and animals.

STATE KNIGHTS GUESTS OF OREGON LODGE

About 100 Knights of Pythias from all over the state of Oregon were the guests of Oregon lodge No. 1 of this city and were entertained at Knights of Pythias hall in the Marquam building on Tuesday evening.

very better is placed in cold storage it must be wrapped and the date registered. After it has remained in storage for 30 days it must be taken out and stored again.

THOUSANDS OF DOCTORS COMING HERE IN JULY

"I believe the people of Portland scarcely realize what a great meeting is to be held here when the American Medical Association convenes, July 11 to 14."

the foundation of Venice is attributed to the inhabitants of the surrounding districts who, in 451, fled to escape Attila the Hun.

SUGGESTIONS FOR THE SICK
DR. N. J. FULTON

She can cure you. Ask somebody about her, find out all you can about her.

A Portland Testimonial of a Grateful Mother

Portland, Or., Nov. 12, 1905. I had been having large boils on my leg and finally my leg became so drawn up that he was compelled to walk on his toes.
