

THE GIVES THE BOYS A MAGIC LANTERN EXHIBITION THAT MAKES THEM GO TO BED IN A HURRY

1. GRANDPA: "Boys, where are you? Come in now, it is bedtime."

2. BOYS: "Gran'pa, doesn't know we heard him, so let's stay out a little longer!"

3. GRANDPA: "When I turn this magic lantern on I think the boys will hurry in."

4. GRANDPA: "I judge by the noise that will soon fetch them in."

5. GRANDPA: "Dear me, what a burry-scurry!"

6. GRANDPA: "Why, here you are, boys. I thought you did not hear me. See the magic lantern I have for you."

THE LOVE OF LULU AND LEANDER

1. CHARLEY ONTHESPOT: "What do you think, Leander, I have commenced taking lessons in the Jiu Jitsu training?"
LULU: "Oh, Charley, you are up to date in everything."
LEANDER: "Jiu Jitsu! Pooh! Bosh! Nothing in it."

2. CHARLEY: "Bosh, eh? Come, just let me give you a few holds and I'll show you whether it is a fake or not."
LEANDER: "Pooh, pooh! No, I'm not so foolish!"
LULU: "Oh, Charley, I believe you're Show, ME."

3. CHARLEY: "Now here is a very simple hold. This would throw a man on his back in a minute."
LULU: "Oh, how interesting!"
LEANDER (aside): "Ye gods! I don't believe that is Jiu Jitsu; that is more like hugging. (To Lulu) Lulu, you don't want to know anything about Jiu Jitsu."

4. CHARLEY: "Here is another one. Grasp your opponent about the neck, draw him tightly to you in this manner, and—"
LEANDER: "Stop it, Lulu! Stop it, Charley! I'll not have thee shown Jiu Jitsu. You can show ME."

5. LULU: "Oh, Leander, how impatient you are. Charley wasn't hurting me at all!"
CHARLEY: "All right, Leander. Now here is a fine hold."
LEANDER: "Woow! Don't! You'll break my arm! Stop it, I say!"

6. CHARLEY: "I'll wager you don't think it is so much of a fake NOW, Leander!"
LEANDER (aside): "Ye gods! I believe he just did that to make me look like thirty cents in Lulu's eyes!"
LULU: "Oh, Charley, I'll get you to give me more lessons the next time you come. When Leander gets cross and jealous after we are married I will be able to use Jiu Jitsu on HIM."
