

TRIES TO TIGHTEN CINCH ON OFFICE

Mayor Breaks Resolution, and Takes Stump in Defense of His Administration.

SAYS CHIEF HUNT IS FAR AWAY ABOVE REPROACH

Man May Be Able to Sell Bananas Who'd Not Make Good Executive.

The change in Mayor Williams' plans and his appearance on the stump last night in defense of his administration were interpreted today as a concession by him that the fight for the nomination is much harder than he and his political advisers had expected.

Mayor Williams then announced that no club or other organization would be formed to work for his election.

Mayor Williams persistently refused to make any speeches before the primaries, saying that he believed the voters in a party should be untrammeled in choosing their candidates.

In detail the mayor took up the several departments of municipal government and asserted that in every one conditions were better than they were under H. S. Rowe, who was mayor before him.

In the main, the address of the mayor was a depreciation of the candidacy of other persons for his office and a defense of his administration against charges of graft.

There's no more of that now, and there will be no more so long as Charles Hunt is chief of the Portland police.

At Merrill's hall, the Third Ward Republican club met to hear candidates discuss the issues of the day.

FEVER GERMS ARE BEING FOSTERED

East Side Sanitary Conditions Stir Up the Residents Generally.

GROSS NEGLECT OF EVERY HEALTH LAW

Surface Sewers Reign in the Midst of Thickly Settled Districts.

The east side of the Journal is the site of Mrs. W. McKinney, 280 East Morrison street. Telephone East 278.

It has long been known to old east side residents that the central district near the river was afflicted with very unsanitary arrangements and the marshy nature of the soil made it almost impossible for residents to ward off typhoid and malaria.

In the small district bounded by East Morrison street, East Water, Grand avenue and East Oak there are hundreds of sinks, closets, tenement-sewers, factory vats and shops that discharge all refuse, sewerage, rubbish, garbage and offal out of wooden flumes and conduits directly on the surface of the ground.

There are packing plants with dozens of workers in this district. The plants have no sewer connections, and the accumulations beneath the buildings is sickening.

The Willamette conference of the Wesleyan Methodist church is in session at the Center addition church. Yesterday the following were transferred to the Willamette conference: Rev. A. D. Culbertson of Iowa and Rev. W. E. Karrison of Dakota.

On every block in the district are shacks where negroes, Chinese and the lower class of all races live. Almost without exception the houses have no sewerage connection and the condition of the back yards is frightful.

a crowded district, but that condition exists within 50 feet of the Southern Pacific platform.

MT. TABOR FEARS RESULT.

Election Day Bothers Those Who Ask Admission to Portland.

Mt. Tabor business men and residents are unable to understand the opposition that has developed in Portland to the annexation plan which proposes taking the suburb into the city.

There are three needs that the place must supply some way and though the citizens are willing to pay for everything they receive, and understand they would have to more than pay for any improvements made when in the city, they are adverse to incorporating in order to get adequate water service, a sewerage system and fire protection.

ST. JOHNS AGAIN HAPPY.

St. Johns has been informed through railroad channels that the main line of the Oregon Railroad & Navigation company may soon pass through the town and another property along the river is being experienced.

The O. R. & N. has already begun work on an extension to the Weyerhaeuser mill site and negotiations are under way for the thoroughfare to Troutdale.

PLAIN WORDS ADDRESSED TO THE COMMON PEOPLE OF PORTLAND

ATTENTION is now being centered on the COUNTY GRAND JURY before which body are detailed the SCHEMES AND PLOTS that have operated to the HURT AND INJURY of the CITY and PROPERTY OWNERS, on whom the burden of PAYING for all the JOBBERY and EXTORTION FALLS. There has been WHOLESALE CORRUPTION in the arrangement of the CONTRACTS for STREET and SEWER IMPROVEMENTS. This corruption has added THOUSANDS of DOLLARS to the ASSESSMENTS made on the PROPERTY in SOUTH PORTLAND, for the FILLS and BRIDGES that COST the city GREAT SUMS OVER AND ABOVE THE ACTUAL COST of the IMPROVEMENTS. THE COMMON PEOPLE HAD TO PAY FOR IT ALL. THE MONEY came out of the OWNERS of the SMALL HOMES, OR OF THE LARGER TRACT in PROPORTION to HIS HOLDINGS. The \$52,000 of EXTRAS on the MORRISON STREET BRIDGE WAS PAID BY THE CITY AT LARGE. THE MONEY CAME OUT of the POCKETS of the PLAIN POPULACE of PORTLAND. TO THIS CONDITION OF THINGS ALL PEOPLE SHOULD AWAKE; and in AWAKENING they should consider the probabilities of a CHANGE.

The Primary Election Next Saturday

Presents an OPPORTUNITY to CONTINUE EXISTING CONDITIONS, give encouragement to GRAFT, and give the GRAFTERS a FRESH GRIP on the CITY'S THROAT. There is also the opportunity to EFFECT A CHANGE; to TURN OUT the GRAFTERS, to REVISE the MANAGEMENT of the HEADS of the CITY; to place the CITY DEPARTMENTS on a SOLID BASIS of COMMON HONESTY that will make GRAFTING and PILFERING the MONEY of the TAXPAYERS IMPOSSIBLE. THE LIQUOR SELLERS, the GAMBLERS, the GRAFTERS and all those who LOVE VICE and ABHOR DECENCY and HONEST GOVERNMENT are for CONTINUING the PRESENT ADMINISTRATION in power. They want NO CHANGE; PRESENT CON-

DITIONS SUIT THEM. It is the COMMON PEOPLE, the LABORER, the MECHANIC, the CLERK, the OFFICE MAN and the BUSINESS MAN who have HOMES and desire CLEANLINESS and FAIR DEALING that look FORWARD to an ALTERATION in the PRESENT MODE of CONDUCTING AFFAIRS.

It is to THESE PEOPLE whose HOMES are numbered by the thousand, who belong to the CHURCHES, have CHILDREN in the PUBLIC SCHOOLS, who expect to LIVE HERE and bring up THEIR FAMILIES; who want a CLEAN CITY and VICE SUPPRESSED that we must look to for support in this election. OUR INTERESTS are YOUR INTERESTS, and in VOTING for MR. ALBEE you ARE but MAKING EXPRESSION of the SENTIMENTS and BELIEFS you all ENTERTAIN.

Do Not Be Deceived

You all know, if you have read the daily papers, how THINGS ARE GOING, you KNOW that PUBLIC GAMBLING FLOURISHED until put down by Sheriff Word. You KNOW that IT WAS SAID to be IMPOSSIBLE to SUPPRESS IT, until it WAS SUPPRESSED; and NOW, GRAFTING, LOOTING the TREASURY and all the MANY EVILS that FLOURISH RAMPANTLY CAN BE PUT DOWN if the SAME ENERGETIC, POSITIVE and DETERMINED ACTION is TAKEN by an HONEST EXECUTIVE, who has it in mind to OBEY HIS OATH of OFFICE and SEE TO IT that the PLAIN LAWS are ENFORCED; that the MONEY LEVIED and COLLECTED for STREETS and SEWERS is SPENT ON THEM, and NOT DIVERTED into UNEARNING POCKETS. To see that the RED LIGHTS of SHAME are NOT FLAUNTED in the faces of WOMEN and CHILDREN in the RESPECTABLE PARTS of TOWN and that when the small saloon is required to close up at 1 o'clock, the BIG GILDED DOOR OF VICE IS MADE TO DO LIKEWISE. THE MAYOR should SEE TO IT that the LAWS are not SLIGHTED. If they are BAD ONES, repeal them. He

should NOT have a LABORER, riding HOME from his day's WORK on a WHEEL, ARRESTED for riding on the SIDE-WALK and be BLIND to the using of the WHOLE WALK by the FRONT STREET COMMISSION MERCHANT.

This is not as much a PARTISAN CAMPAIGN as a CRUSADE for CIVIC CLEANLINESS. Not as much a test of the principles of Republicanism or Democracy as an effort to place in the EXECUTIVE CHAIR a PLAIN MAN of COMMON HONESTY and STRENGTH of PURPOSE, whose SINCERE EFFORT will be to GIVE an ADMINISTRATION that will NOT DISCRIMINATE between the RICH and POOR, the HIGH or LOW; but who WILL NOT be BLIND to the CORRUPT or CRIMINAL; but without radicalism will WORK for a CLEANER and BETTER PORTLAND.

It's Up to the Public

If they want WILLIAMS or GLAFKE, BUT THINK WELL on what YOU WANT and what THESE CANDIDATES STAND FOR BEFORE YOU VOTE; and then VOTE your BELIEFS and the SENTIMENTS YOU FEEL. If you ARE IN EARNEST about THOSE THINGS you have been EXPRESSING yourself of in the street cars and elsewhere, if you do care about REDEEMING PORTLAND from the GRASP OF THE VICIOUS, then VOTE FOR MR. ALBEE, and BACK UP your BELIEFS and SENTIMENTS by your actions. Be active DOERS, not negative THEORISTS merely. If ever a FIGHT was FOUGHT for the PLAIN PEOPLE of this CITY, THIS IS THE PEOPLE'S FIGHT. They know what is involved in the ELECTION, and the FIGHT must BE FOUGHT out by those who who UNDERSTAND WHAT IS NEEDED.

The FIGHT is against GRASPING POLITICIANS whose DOMINION CONSTITUTES a BLOT on the CITY, that MUST and SHALL be WIPED OUT. WE ARE FOR DECENCY. WON'T YOU JOIN US? This campaign HAS GROWN IN IMPORTANCE; it has become MORE and MORE a FIGHT of the PLAIN PEOPLE for DECENCY and political HONESTY, and the LONGER the FIGHT GOES ON the more CLEARLY the REAL ATTITUDE of the SEVERAL CANDIDATES COMES OUT.
