WEATHER REPORT.

A storm of moderate energy moved inland from the ocean during the night, and is central this morning off the Oregon coast, apparently moving southeastward. It caused good rains in all sections west of the Cascades, and a continuation of showery weather in eastern Washington and northern Idaho. The disturbance that passed over this district the early part of this week continues in the Mississippi valley; it has caused general rains in the states east of the Rocky mountains and snow in western Montana and in the British possessions.

The indications are for unsettled, showery weather in this district during the next 36 hours. It will be warmer tonight east of the Cascade mountains.

EUGENE BALL NINE DOWNS H. M. A. BOYS

First Meeting of Visitors and Soldiers Ends in Favor of Former.

MILITARY PLAYERS MAKE GRAVE ERRORS

Shortstop Holman Helps the Victory Along by Two Bad Juggling Acts.

The ball tosses of the Hill military academy put up a ragged article of the national game yesterday, which resulted in their being defeated by the Eugene high school team by the close score of 8 to 7.

Young Holman at short for the embryo soldiers had a bad day, for he is usually a steady and reliable player, but yesterday he had four miscues, two of which, with a couple of passed balls by Catcher McCoy, and another miscue by Stanton at third, allowed the visitors to score five runs in the sixth inning, when they should have been retired runless.

The local players have the edge on the visitors in all departments of the game, for they easily excelled the Eugene boys in batting and base running, and were defeated simply because they bunched errors at critical times.

Second Baseman Driver of the Eugene team kept his teammates in the game at all times by remarks of the following nature: "Gee whiz, fellows, we've got them now," "Golly! wasn't that a peach," "Darn my taters, but Pender you're all right."

The remarks, although somewhat inelegant, served to keep the high school boys on edge at all times, and incidentally Driver set his teammates a splendid example in the field.

Dimmick tried to stretch a triple into a home run in the fifth, but a fast relay from Fulton to C. Smith to McCoy caught him at the plate.

Hill made things interesting in the ninth by making a strong bid for the game, and almost tied the score. Stanton led off with a double and Dimmick erred on Stackpole's hit, which left a man on first and one on third, with no one out. Pender fanned Smith and Holman's out scored Stanton. Merchant hit to Driver and the side was out.

The score follows:

LACROSSE AND BALL GAMES NEXT SUNDAY

The double attraction of baseball and lacrosse which is scheduled for next Sunday is exciting considerable attention around town. The ball teams compose the cream of the local talent, while the lacrosse clubs comprise some of the best players of this interesting game in the country. Lacrosse is a novelty to the sport-loving public of this city, and as it is one of the most exciting games the attendance bids fair to eclipse all records. The Portland Lacrosse club will select the players from the rival teams Sunday for the team that will represent this city during the Lewis and Clark fair championships.

The lineup of the baseball teams will be as follows:

BRIGHT OUTLOOK FOR EUGENE ATHLETES

'Varsity Men Pleased With the Showing Made Against the Willamette Track Men.

(Special Dispatch to The Journal.)

Eugene, Or., May 11.—The local track athletes are somewhat encouraged by the showing made in the late meet with Willamette university. No great records were achieved, but the work was all good, considering the time of year and the heavy track. The score was not fairly representative of the two teams, as the visitors had to compete Cohen, who was only one hour off the train. The Salem boys fought hard and were not "easy" at any stage of the game.

Track athletics are attracting much attention and enthusiasm. A large delegation will go over to Corvallis for the dual battle May 27, and a still larger one to Salem for the state field day, on June 10. The work done by O. A. C. and Pacific in their meets, May 6, was noted well, and the wise ones are all busy figuring on probable results for the intercollegiate. There will certainly be some of the greatest sprinting and middle distance running ever seen in the northwest. If the present good weather holds, the old I. A. A. A. O. records will all need revision save, perhaps, the quarter mile. One of the hottest events will be the half, where Greenbaw, Gates, Peterson and Perkins will fight it out all the way down the long stretch. Clyde Payne's record of 2:04 is quite likely to get lost in the shuffle. If Smithson and Williams can be made to run the old-time sprinting marks ought to suffer a like fate. The state does not seem to be developing many good jumpers or hurdlers this year. The talent is crowded into the flat races and some good men will have to go without medals. Oregon is counting on Captain Hug to get the shot a little further than Reuben Sanders did at the 1898 meeting. Henderson will do some good high jumping and, in general, Hayward's technical skill is expected to show up in all the field events. As to the disposition of the cup this year there is yet no settled opinion. There will be a splendid field day, however it goes, and the best men will have to do their utmost to win. It's early yet and most every one has a chance.

PITCHER WIN CUTTER FAILS TO REPORT

(Special Dispatch to The Journal.)

Spokane, Wash., May 11. — Winnie Cutter, the California pitcher, who has been under contract to Spokane for the past two months, but has failed to report, may not play with the Indians.

President Williams says he has left the matter with Stanley, and that there is hardly a chance of releasing one of the pitchers who have been doing good work, to bring on a man who has failed to report according to contract. A telegram has been received from Cutter stating that he has been married and asking for tickets for two. It is probable that he has been unable to come before, but the other pitchers have been on the ground and made good in his absence.

Next Monday the Indians must cut down to 12 men, and if Cutter should be taken on, it would mean that two of the Indian pitchers would have to be released. It seems no more than fair to those who have been working hard that they be given a chance.

The drafts and sale money due the Pacific National league clubs for players will soon fall due. The question now is, will the league get this money, since it has joined the outlaws? The total amount of money due on the whole circuit is about $5,000. For Spokane alone there is due on players $1,254.

The contracts were made and approved when the P. N. L. was a member of the national association, but some of the money has become due after the P. N. L. has been forced to leave that organization. President Williams believes he can collect the money, and is going after it.

SPORTING GOSSIP.

Portland won a close game yesterday and the news of victory was well received by the local fans. The winning run was made in the ninth inning on Mitchell's double, followed by Runkle's two-cushion hit.

• •

A few more victories would materially increase Portland's average and thereby give the club a better-looking position in the standing column. Of course, Seattle had to win also, so that the tie for cellar honors was not broken.

• •

The reported challenge of John L. Sullivan by Tommy Burns, in which Burns says that he can stop Sullivan in 10 rounds, is too silly to merit any notice. It seems to be a pet trick of blatant young fighters to get free advertising at the expense of one of the best and squarest fighters the world has ever seen.

• •

The principal duty of the first baseman is to save the rest of the infield from making errors. He must be big enough to reach the shortstop's high throws and be quick enough to get down for the third baseman's low ones. He must also be a good spitter, ready and willing at all times to loan the pitcher a little saliva when his supply runs short. The manager will supply a bucket for this purpose. He must also carry a towel for the purpose of drying the spit-ball when it becomes too wet, and when the pitcher becomes excited it is his duty to call for time to tie his shoes, to give the pitcher a rest. But above all he must cover the bag. Experts recommend either a horse blanket or a sofa pillow for this purpose. The colder the weather, the more warmly should he cover the bag and in wet weather an umbrella is permissible. Another duty of the first baseman is to slug players on opposing teams who attempt the spiking act.

• •

Jimmy Britt and Battling Nelson are matched for a 20-round contest before the Western Athletic club of San Francisco. The date for the contest has not been set.

• •

Casey Redeemed—
There were thoughts in Casey's thinker
when it came his turn to hit,
Half-past five the clock recorded—it was
getting time to quit;
Casey felt his belt a-loosening—supper
time was drawing near,
"Let him pass me up a good one, and
I'll end the fun right here."
Saying this, his feet he planted firmly
in the well-packed earth,
"Though the poet says I strike out, here
is where I show my worth."
To the plate the ball came sailing—
Casey soused it on the beak—
Out it soared towards the palings, leaped
the fence and made a sneak.
Round the bases Casey sauntered—his
home run won the game
And wiped out a stain, which long had
been disgraceful to his name.

• •

That Seattle is ever jealous of Portland was again evidenced yesterday when its ball team won out in the ninth inning just because Portland did the trick at Tacoma. Seattle won't let Portland enjoy last place alone, neither will the Puget Sounders allow McCredie's men to pass them in the race.

• •

Mike Mitchell seems to have recovered from his sprain, for according to advices from Tacoma he is playing a great game at first for Portland. Mitchell in good shape helps the local team wonderfully.

• •

Virgil Garvin will probably be sent against the Tigers today, and with the big fellow in good shape and Jimmy Whalen twirling against Seattle, that tie for the rear should be broken today. It is up to Garvin to keep us out of the basement.

• •

Martin Murphy, who landed a few blows on Umpire Perrine's countenance during a game at San Francisco one week ago last Sunday, was fined $25 in police court yesterday in the bay city. Murphy's expulsion from the league and yesterday's fine were exactly what that young buffer deserved.

• •

W. Fred Ely, a former manager of the Portland baseball team, arrived in town Tuesday and will reside here. Mrs. Ely accompanied her husband.

• •

For the present at least England has been declared off the fighting map.

• •

The president enjoyed a day's sport in Chicago yesterday. He witnessed several fights on Michigan avenue between strikers and nonunion men and was greatly interested. Between sups at the Iroquois club in the evening he assured all that he was through with his hunting trip and didn't want any one to think he would ever again look for votes.

• •

Abe Attell and Harry Forbes were hissed last night throughout the 10 rounds of their exhibition at Detroit. Attell got the decision, and while it was probably earned, those who witnessed it said "hist."

BIG GUN SHOOT.

(Journal Special Service.)

Nashville, Tenn., May 11.—One of the most notable shooting tournaments ever held in this part of the country was inaugurated auspiciously here today under the direction of the Cumberland Park Gun club. PORTLAND VICTOR IN NINTH INNING

Mitchell and Runkle's Two-Baggers Send Winning Run Across.

FITZGERALD WAS HIT IN EVERY INNING

Essick Was Mysterious to Tigers in All But Third and Seventh.

(Special Dispatch to The Journal.)

Tacoma, Wash., May 11.—Portland 7, Tacoma 6.

Essick and McLean; Fitzgerald and Graham.

In the last two innings of yesterday's contest between the Tacoma Tigers and the Portland bunch, when the lads had the game apparently cinched, with the score standing 6 to 3, the visitors started a batting rally which resulted in their winning the game in the last chapter. There was plenty of batting during the engagement, as both pitchers were hit freely. Essick was a mystery, except in the third and seventh, while Fitzgerald weakened in the last three innings, when the visitors found him for timely doubles, singles and a four-sack swat by Householder.

Atz was chased from the grounds for disputing a decision, and Murphy went in at third, Runkle relieving the shortstop. Mitchell put up a splendid game at first, cutting off several hard-hit balls that were labeled as safeties.

The score:

NEWBRO'S HERPICIDE
The ORIGINAL remedy that "kills the Dandruff Germ."
DIDN'T KNOW IT WAS LOADED
Most young and middle-aged men never know that their scalps are loaded with microbic growths until the hair has "gone off." Nature sends her warnings of dandruff, itching scalp and falling hair, but the discovery of the dandruff germ is too recent for the public to realize the danger of neglect. Newbro's Herpicide positively destroys the dandruff microbe; stops falling hair and protects the scalp against reinfection. A delightful hair dressing. Stops itching instantly. Its immense popularity proves its goodness. Save your hair while you have hair to save.
