PIONEERS TO HOLD ANNUAL REUNION

Weston to Be Meeting Place of the Old Timers of Umatilla County.

EXERCISES TO LAST DURING TWO DAYS

City to Improve Streets—Infant Expires of Pneumonia and Body Taken to McMinnville

(Special Dispatch to The Journal.)

Weston, Or., May 12.—The 11th annual reunion of the Oregon Pioneers of Umatilla county will be held at Weston June 2 and 3. Weston is the annual meeting place of the pioneers, and their recurring reunions have proved very pleasant and successful in the past. This year the most pleasurable and interesting event of them all is expected.

The exercises will be held in a pavilion erected in a contral part of town and profusely decorated. The annual address, June 2, will be delivered by Dr. W. T. Williamson of Portland, and the memorial sermon June 3 by Rev. J. R. N. Bell of Baker City. The morning and evening programs both days will include many interesting special features, among them an old fiddlers' contest on the afternoon of June 3.

Among the amusements will be a balloon ascension each day, accompanied by a startling aerial explosion and parachute jump. Baseball will also be a prominent feature, probably between the Pendleton and Weston teams, which are well matched, each having won a victory in previous contests this season. Dancing at night will entertain the young people.

In accordance with their annual custom, Weston residents will throw open their lawns for the entertainment of picnic parties. This hospitable action in the past has occasioned much favorable comment from visitors.

Weston has begun its campaign of street improvement with the grading of Water street, preparatory to being dressed with crushed rock. The material is furnished to property owners free by the city, which bought a rock crusher for the purpose. This machine is now in succesful operation.

Hope Gubser, the infant daughter and only child of D. Lynn Gubser, principal of the Weston public school, died last night of pneumonia. The young parents are conveying the body to McMinnville for interment.

BENTON POSTOFFICES TO BE DISCONTINUED

(Special Dispatch to The Journal.)

Corvallis, Or., May 12.—As a result of the new rural mail route that goes into effect next Monday, the postoffices at Bruce and at Inavale are to be discontinued on May 31. The carrier on the Monroe star route will not be allowed to deliver mail along the route, although service on the route will continue. This change begins next Monday also. Patrons along this route will be obliged to put up mail boxes. No mail service will be given until the boxes are placed.

It is estimated that nine tenths of the residents of Benton county now are reached by the rural mail delivery.

CHEMAWA SOLICITING CALIFORNIA INDIANS

(Special Dispatch to The Journal.)

Chemawa, Or., May 12. — Assistant Superintendent W. P. Campbell left today to visit the Indians of northern California and to induce such as will to send their children to Chemawa to school. There are many children in this vicinity who are without school facilities and whose parents are homeless, living in little groups among the mountains. They are averse to sending their children to school. They look upon agents out gathering children as having mercenary motives, which is one of the most discouraging features of the work.

NEW CATHOLIC SCHOOL.

(Special Dispatch to The Journal.)

Wallace, Ida., May 12.—The contract has been let and work has been begun on the new Catholic school building of Our Lady of Lourdes, which will cost $35,000. It will be of brick, having three stories and a basement, with floor and finishings of hard wood.

COLD NIGHTS CAUSE CATARRH

Everyone Should Use Hyomei and Kill the Germs.

No other season of the year is responsible for as many cases of catarrh as the spring. The warm days and cold nights, with their frequent and sudden changes in temperature, bring the catarrhal "snuffles" to nearly everyone.

The best physicians long ago saw the folly of taking medicine into the stomach to kill catarrhal germs in the head and throat. Air alone can reach these germs, and today the most successful physicians prescribe Hyomei for all catarrhal troubles.

The germ-killing and health-giving Hyomei, when breathed through the pocket inhaler that comes with every outfit, penetrates to the most remote cells of the air passages and respiratory organs. It searches out and kills catarrhal germs in the head, throat, and lungs, soothes and heals the irritated mucous membrane, and absolutely drives catarrh from the system.

Thousands of testimonials like this of Captain Cameron, in charge of the Salvation Army at Berkley, Cal., attest to the speedy relief given by Hyomei. Captain Cameron writes: "I have been a sufferer from catarrh of the throat for a number of years, so bad that I could not speak so as to be heard at any distance. The first use of Hyomei relieved me, and I believe that it has given back to me the good voice I had in years gone by."

The complete Hyomei outfit costs but one dollar, and includes an inhaler and sufficient Hyomei for several weeks treatment. You take no risk in buying Hyomei. Woodard, Clarke & Co. absolutely agree to refund the money if it does not give satisfaction.
