

ASSASSIN YOUNG SICK FROM DRINK

Would-Be Killer of Van Dran Celebrates Freedom by Smashing Furniture.

POLICE UNABLE TO LAY HANDS ON HIM

District Attorney Says His Assistant Made Mistake in Amount of Bonds.

After obtaining his liberty on bonds, Joseph Young, the saloonkeeper who shot Kappel Van Dran, celebrated his freedom by going home last night and smashing the furniture.

In view of this performance District Attorney Manning has declared that Young's bond must be raised from \$2,000 to \$4,000. Police Judge Hogue was notified this morning by the district attorney that Young had acted hastily, and should have consulted him before the bond was accepted.

Young is said to have drunk so much since obtaining his release that he is a very sick man. He was sent to a hospital last night.

It is said that Young caused considerable excitement in the neighborhood of his residence before he collapsed. "Yes, my husband is very sick and was sent to a hospital," said Mrs. Young. "I cannot tell what he did or anything about the trouble he caused last night, because he ordered me not to say a word before he went to the hospital."

The police are said to have been notified last night that Young was causing more trouble.

HUNT RELEASES MAN ARRESTED ON WARRANT

May Be a Clash Between Chief of Police and Judge Hogue.

Chief of Police Hunt has raised his kangaroo court to the dignity of the police court. He has assumed the prerogative of discharging from custody a man arrested on a warrant, issued on a complaint sworn to and filed in the police court. And right here is where Chief of Police Hunt has collided with Judge Hogue.

Henry Bruck was arrested yesterday on a warrant by Patrolman Carlson and charged with maintaining a billboard nuisance at his place of business, 282 Yamhill street. He was accompanied to the station by Councilman Flegel, who declared that the arrest was unwarranted, as Bruck had a permit from the city council to have the billboard erected.

"Discharge that man Bruck from custody," roared the chief. He addressed Captain Moore.

"The man was arrested on a warrant, chief," mildly rejoined the captain. "You mean to release him on his own recognizance, don't you?"

"No, I mean just what I said—discharge him," shouted the venerable chief.

Bruck was allowed to go. He did not appear in the police court this afternoon. Judge Hogue heard he had been discharged by the chief. He sent word to the kangaroo judge that he will expect the police to have Bruck in court Monday morning, or will find out why he is not there.

DAY'S QUICK RETORT ON ATTORNEY LOGAN

Complaint was made to Chief of Police Hunt this morning by Attorney John F. Logan that Detective Joe Day endeavored to induce witnesses who testified in behalf of "Rob" Patterson, while he was on trial for stealing jewelry valued at \$300 from Mrs. Marie Palm.

Charged by Attorney Logan that Detective Day went to the Mass cafe, conducted by Shapiro & Lake, and made an attempt to get the proprietors to discharge from their testimony Barterson Ferguson, who gave testimony favorable to Patterson.

"It is not true that I went to the Mass," said Detective Day. "I met Shapiro on Washington street last night. Detective Weiner was with me. At that time I told Shapiro that his bartender, who admitted to Deputy District Attorney Adams that his real name is not Ferguson, had perjured himself on the witness stand. I added: 'If you want to keep such men in your employ, I suppose you know your own business.' That was the extent of the conversation. There was no threat, not even implied, and I did not advise Shapiro to discharge the man."

ATTORNEY COLLINS IS INDICTED FOR BIGAMY

(Journal Special Service.) San Francisco, May 13.—An indictment for bigamy was returned by the grand jury this afternoon against George Collins, a prominent attorney, whose marriage recently to Clarice McCurdy created a sensation, and caused Mrs. Carlotta Newman Collins, who claims she married Collins 16 years ago, to tell the most revolting story of Collins' alleged relations with her sister Agnes. Collins claims that Agnes, who died, was his wife. Carlotta Collins has had three children whose paternity Collins now denies.

WHO WILL SUCCEED JUDGE BELLINGER?

Prominent Men Suggested for the Vacant United States District Judgeship.

Speculation is already rife as to whom the president will appoint to succeed the late Judge C. B. Bellinger as United States district judge for Oregon. Aspirants for the place are naturally slow to proclaim their candidacy so soon after Judge Bellinger's death, but the names of a number of prominent attorneys are mentioned who may seek the appointment.

Among those whose names are heard in this connection are W. D. Fenton, attorney for the Southern Pacific; Henry R. McGinn, Judge A. E. Beazley, C. E. B. Wood, Judge Stephen A. Lowell of Pendleton, State Senator John L. Rand of Baker City, who was slated for the federal bench in case the bill dividing Oregon into two judicial districts had passed the last congress and Judge J. B. Cleland.

BETTER REPORT ON THE SWEET WINE INDUSTRY

John W. Yerkes, commissioner of internal revenue, is visiting Portland for a day or two for the purpose of getting acquainted with the local revenue officers. He has been at San Francisco on department business and will go from here to Tacoma, and thence home to Washington, D. C.

Mr. Yerkes stated in his last report to congress that he was of the opinion that the sweet wine industry of California ought to be investigated. He has therefore been making the investigation and something rare and spicy may be looked for in his next annual report.

Mr. Yerkes is first of all a Kentuckian, his home being at Danville in that state. He is an appointee of President McKinley, and is transferred to the place to President Roosevelt, but is considerably taller than the chief executive. The Portland hotel is his headquarters.

CENSUS SHOWS GROWTH OF CITY OF ROSEBURG

(Special Dispatch to The Journal.) Roseburg, Or., May 13.—Though the census in this city has not yet been fully completed enough has been accomplished to show that the population inside of the city boundaries will reach 4,500. This, however, leaves out a number of suburbs, including the Soldiers' home, which will at least add another 1,000 on the real population of this place. The census of the United States in 1900 showed that this town had 1,600 people inside its corporate limits. During the past six months there have been completed and under construction nine brick buildings in the business part of the town. Residences for a long time have been springing up like mushrooms.

INTEREST IN SESSIONS CONTINUES UNABATED

Sunday Services to Be Held at Different Hours at Houses of Worship.

(Special Dispatch to The Journal.) Lents, Or., May 13.—The interest manifested in the sessions of the twenty-third annual conference of the Evangelical association of Oregon, that convened here in Grace church, May 11, at 9 o'clock, continues unabated. Hundreds throughout the region at each session and much work of interest and importance has already been done. At the opening of each session Presiding Bishop Dr. B. C. Breyfogle delivered a stirring address after which the regular routine work is taken up.

Rev. J. H. Lamb, agent of the Evangelical Publishing house of Cleveland, Ohio, is present and has addressed the conference on several occasions. He has been here for several weeks prior to the beginning of the sessions, is present much of the time, however; his health is very poor and he is almost on the verge of a collapse.

Among the appointments is that of S. A. Stewart, as conference secretary. His assistants are F. Benz, German and E. D. Hornschuch, English. G. W. Flummer was elected statistical secretary and N. Shupp was re-elected conference trustee.

Reverends S. A. Stewart and Morris Haverling were granted elder's orders last evening and will probably complete the four years' theological course.

Although when the conference convened it was expected to bring the sessions to a close this evening so much work is demanding the attention of the assembled delegates that it does not now seem likely that the work will be concluded today. The appointment of pastor of the church at Lents, Oregon, all probability will be announced before Sunday.

Rev. F. Benz of Tacoma, Washington, recently a member of the Dakota conference, last evening preached a sermon to a crowded house.

The following officers were elected at the annual meeting of the Sunday school and tract union for the ensuing year: President, H. O. Henderson; vice-president, S. A. Stewart; secretary, F. Benz; treasurer, Morris Haverling.

The list of a long list of debts which have hung over the various churches of the Oregon conference for many weary years has been provided for and there is much rejoicing over the fact. More than \$2,500 has been paid on church debts during the past year—besides the subscriptions for the erection of new edifices.

Because of the organization of the Washington missionary conference, the following ministers were transferred from the Oregon conference to the Washington: W. D. Barnhardt, S. Copley, J. R. Khrst, George Koch, H. Shuknecht, A. A. Powers, J. B. Schneider, G. Seeborg, Edward Pittman, George Huff, D. F. Kamm, H. C. Weber, T. P. Berg. All members of the conference in the active work are in attendance here.

Rev. Samuel Werner of Fulton, Oregon, was reported as having died during the past year.

The services Thursday evening were in the interest of the Woman's Missionary society. Inspiring addresses were given by Rev. F. H. Lamb and Bishop Breyfogle. Mrs. E. G. Eaton, president of the Conference Branch Woman's Missionary society, is slowly recovering from a dreadfully severe illness caused by an explosion of gasoline.

All of the ministers of the conference reported themselves as being willing to travel according to the directions of the discipline except P. J. Green, Theodore Schaub, A. Engelbrecht, C. A. Lucas, A. Wehnert, J. K. Elmer, F. M. Fisher and J. E. Smith; the first five named declared themselves willing to travel on conditions. The conference went into secret executive session for the hearing of the conditions of these men, with the exception of P. J. Green, which by his request and vote of the assembly was referred to the bishop, to be reported later to the conference if deemed necessary.

Dr. I. L. Tufts, president of the Antislavery League of Oregon, gave a brief address before the conference.

Rev. John Good of Salem, formerly a member of the Methodist church, was admitted to the conference in the relation of deacon. Rev. J. H. Lamb of Cleveland, Ohio, was made an advisory member of the conference. H. W. Wetanfer and F. Benz were admitted into the itinerancy.

The report of the committee on worship was given as follows: Saturday

DRIFTING TOWARDS BRIGHT'S DISEASE Many people who are neglecting symptoms of kidney trouble, hoping "it will wear away," are drifting towards Bright's Disease, which is kidney trouble in one of its worst forms. FOLEY'S KIDNEY CURE stops irregularities, strengthens the urinary organs and builds up the worn-out tissues of the kidneys so they will perform their functions properly. Healthy kidneys strain out the impurities from the blood as it passes through them. Diseased kidneys do not, and the poisonous waste matter is carried by the circulation to every part of the body, causing dizziness, backache, stomach trouble, sluggish liver, irregular heart action, etc. If you have any signs of Kidney or Bladder Trouble commence taking FOLEY'S KIDNEY CURE at once, as it will cure a slight disorder in a few days and prevent a fatal malady. It is pleasant to take and benefits the whole system. How to Find Out. You can easily determine if your kidneys are out of order by setting aside for 24 hours a bottle of the urine passed upon arising. If upon examination it is cloudy or milky or has a brick-dust sediment or small particles float about in it, your kidneys are diseased, and FOLEY'S KIDNEY CURE should be taken at once. G. B. Burhans Testifies After Four Years. G. B. Burhans of Carlisle Center, N. Y., writes: "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick-dust sediment and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed, and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble." Two Sizes, 50 Cents and \$1.00. SOLD AND RECOMMENDED BY LAUE-DAVIS DRUG COMPANY AND WOODARD, CLARKE & COMPANY.
