ECHOES STILL RING OF THE BIG FIGHT

Naughton Declares That Contest Was Full of Fairness and Manliness.

DID BRIT SCORE KNOCKOUT ON WHITE?

Question Arises as to What Power the Referee Had in Award.

(By W. W. Naughton. (Special Dispatch by Leased Wire to The Journal.) San Francisco, May 13.—Echoes of the Britt-White fight are still reverberating and it is likely to be some time before the rumbling ceases. The sports of San Francisco are prattling glibly to cloak their confusion. They feel that they owe White an apology for placing such a small estimate on his fighting ability, and they are tendering it to him in the shape of assurances that the next time he performs here he will pull a bumper horse.

A Fair Battle. A notable feature of the international contest was the fairness and manliness of it. It was so full of action that the watchers never flagged. Some of the dyed-in-the-wool fans said, in fact, that they never knew an hour and 20 minutes to whiz by so rapidly.

Especially big meed of praise. It was with this blow that he rattled Britt in rounds 7, 8 and 12. The Englishman times his delivery to a nicety and sends his darts home with splendid precision.

Now Fight Ended. A controversy has arisen regarding the manner in which the Britt-White contest ended. Some of those who bet that White would not be knocked out are reluctant to admit that they lost their money.

White has returned back to England, but he purposes returning here in the fall. He will use every legitimate endeavor to bring another match with the native son. He believes he can do better if matters shape themselves so that he will not be required to jump right into training the moment he arrives.

How About a Knockout? I have had to answer several queries on the point involved in Smith's ruling. One correspondent put a supposition case. Here it is: "How would it be if a fight was stopped, as Smith stopped White and Britt, when the end of the round was only eight seconds distant, could the referee give the winner the credit of a knockout?"

Well, he wouldn't have come to, anyway. Jimmy Britt and Battling Nelson will get together sometime this summer or fall if they do not become all tangled up over the subject of finances again. It is a queer thing about these young boys that they are the sole survivors of a long string of white-knuckled lightweights and they are itching to get together and decide which is the better fighter. But all their ambition and all their rivalry become as fire that has died down in the fear that one will steal a march on the other in regard to the division of the prize money.

It is said that the Western Athletic club, of which Sam Berger is the leading spirit, has agreed with Britt and Nelson for a contest which will net the boxers 85 per cent of the receipts. The Hayes Valley club is also after the match and both of the clubs are after the July permits. I suppose that whoever secures the permission will handle the match, but bearing in mind the way in which Bat and Jimmy have split aunder on former occasions, I will remain skeptical about their getting together until I see them in the ring.

BILL THOMAS STILL LEADS THE LEAGUE

Tacoma's Smiling Pitcher Holds Record for the Coast Twirlers.

GARVIN AND ESSICK STARS FOR PORTLAND

Standing of Every Pitcher Who Has Participated in One Game or More.

Bill Thomas, the star twirler of the Tacoma club, still maintains the lead in the pitching average of the Pacific Coast league, for as yet he has not been defeated. Thomas met with an injury during Tacoma's recent session with the Seals which prevented his pitching against Portland last week, and his average is the same as last Sunday.

Had Thomas pitched against Garvin it is quite likely that he would have met his first defeat of the season, for the way the Portland twirler is working at present, Tacoma has but little chance against his pitching.

The average of the various pitchers of the Coast league are given by teams in the table below:

Table with columns: Team, Won, Lost, P. C. Rows include Tacoma, Oakland, San Francisco, Los Angeles, Portland, Seattle.

Table with columns: Won, Lost, P. C. Rows include Corbett, Whalen, Wheeler, Miller, Hurley.

Table with columns: Won, Lost, P. C. Rows include Goodwin, W. Hall, Baum, Toren.

McMinnville tried three pitchers, all of whom were touched off by Craven and Reynolds who were the battery for the winning team. Dallas second team played the Monmouth second team in the morning also, which resulted in a score of 27 to 3 in favor of Dallas.

"TRUCK" EAGAN IS GREATEST BATTER

Tacoma's Huge Shortstop Leads the League in Fielding Willow.

M'LEAN IS BEST MAN FOR PORTLAND

Householder Is Second on Local List and McCredie Is Third.

'Truck' Eagan brought his average up a trifle during the week against the San Francisco pitchers and is now the only regular player who travels in 300 company, excepting 'Big Hill' Kemmer, who recently joined the Seattle team. Charlie Hall and Shields of the Seattle team are among the twirlers in the slugger class, while Thomas of Tacoma and Willie Hogan an Oakland exponent are the other members of the select.

The averages of the players batting 200 or better up to last Sunday are as follows:

Table with columns: Player, AB, RBI, Ave. Rows include Eagan, Hogan, Kemmer, M'Lean, Householder, Dyal, Kline, McCreedy, Miller, Schmitt, Miller, Schmitt, Miller, Schmitt.

HILL MILITARY LADS TO MEET P. A. BOYS

The Hill Military Academy team and the Portland Academy nine will engage in a game at the latter school's scholastic league season on Multnomah field Tuesday afternoon. The military lads are handicapped by the loss of their crack pitcher Clifford. The team is in practice last week, and will be unable to play for some time. Ernest Streit will do the pitching for Hill, and as he is a capable youngster they will be hard to beat.

SALAM DEFEATS STATE VARSITY

(Special Dispatch to The Journal.) Salem, Or., May 13.—The University of Oregon baseball team, was defeated by the Salem High school nine this afternoon in a game that went 10 innings. The High school team went up in the air in the first two innings and literally gave six runs to the State varsity. After that the little fellows settled down and played an unusually good uphill game, being the victors in the eighth and winning out in the tenth. The visitors played wretched ball and were greatly outclassed by their smaller opponents.

LACROSSE AT VANCOUVER

(Special Dispatch to The Journal.) Vancouver, B. C., May 13.—The lacrosse match at New Westminster this afternoon between the Vancouver and New Westminster teams resulted in a victory for New Westminster by the score of five goals to four. The match was played in a downpour of rain, which made the field very wet and slippery and players could not play combination. The play was free from rough work and was fairly fast.
