Annual June Sale of French and American Undermuslins

A "WHITE" FEATURE OF THE MONSTER INTERNATIONAL SALES IN THE SECOND FLOOR ANNEX.

Here's a sale planned practically to make money go farthest and help the greatest number. Dainty lingerie and exquisite underwear planned on common-sense lines; nothing impractical about the undergarments sold by this store; nothing tawdry, cheap or flashy. No trash or ill-fitting garments, no skimpy sizes. Fetch along a tempo-messure and prove every one. Poor undermuslins are a waste of money at any price, especially those that are slighted in workmanship and finish—the sort that go to pieces in a few launderings because materials are too sheer and fragile to stand hard wear. We have a plenty of the exquisitely fine, dainty garments for those who choose them—as most women do—for "best." But they do not constitute the bulk of the offerings. We haven't squandered money and time on them at the expense of the others. This annual June undermuslin sale puts on a sure and solid foundation of serviceable, well wearing, practical garments at prices that make home sewing expensive. Read a few of the values. More there are that do not reach type.

Wash Dress Materials and Table Linens

Every sort of Washable Dress Stuffs you can possibly want for any purpose. Fabrics for graduation dresses, for wear at June weddings—a wealth of materials from the exquisite and ethereal down to the sturdier fabrics that suggest the pleasures of yachting and mountain climbing. Fabrics for the children's exposition and vacation frocks—and the "Linen Stores" are filled to overflowing with all the wanted Table Linens—special prices that denote rare bargain rule this week in this—the largest, busiest Linen and Domestic Store in the city.

SPECIAL SALE OF Dainty WHITE GOODS.
We offer incomparable values for this week's selling in our busy White Goods Section. We wish to call your attention to the quality and many beautiful designs of these goods. This is indeed a most favorable opportunity to buy what is needed for the commencement gowns and for dresses for wear during the hot summer months.
