

"SAUCY FELLOW" IS MR. "BULL" PERRINE

Umpire's Poor Work Cost Portland Yesterday's Game With Tacoma.

LOCALS WEAKENED BY LOSS OF PLAYERS

Corbett Pitched a Brilliant Game but His Good Work Went for Naught.

Tacoma 7, Portland 1. Batteries: Keefe and Graham; Corbett and McLean.

Portland fans dislike mistaking an opportunity upon which to show their appreciation for honest effort on the ball field, but Portland fans are just as keen to criticize playing and officiating providing they are not the best of good luck and calm judgment that prevented the crowd from taking a pick at Perrine yesterday.

Corbett was in good form and pitched a pretty game, being more effective than Keefe, who was very liberal with passes. McCredie, for disputing with "Saucy," was expelled from the grounds.

Portland's lone tally came in the first inning when, with Atz on the shelf, McCredie was passed and Mitchell planted a safe one in right and Schaffly pitched a two-run swat in the left tennis court, scoring the manager.

CORBETT WILL NOT ANSWER ROBERT J.

New York, June 28.—The sweeping deal of Bob Fitzsimmons directed at both Jim Corbett and Gus Rubin upon the Cornishman's arrival from the west the other day, will not be allowed to go by the board, it seems. Fitz declared that nothing would please him better than to meet both men, especially Corbett. The latter has answered Fitz's challenge in the negative, while Corbett has accepted it.

Ruhlin is only too anxious to talk. Corbett declared emphatically yesterday that he was out of the hunt as far as "meeting Fitz" is concerned. "I retired from the ring three years ago," said Corbett, "and Fitz is cognizant of this fact. Why he should challenge me I can't understand, save to get his name in the papers. I am confident that I can whip Fitz and he knows it, but I am through with the game and will not enter the ring again unless poverty compels me to. So you see it will not avail the fancy one to keep on challenging me. I will not answer him, so there you are." Ruhlin, on the other hand, is anxious to face the Australian and the sooner the match is arranged the better Ruhlin will like it. Ruhlin says that as soon as Fitz gets ready to show that he means business he will stop a forfeit.

SPORTING GOSSIP.

It seems strange, although true nevertheless, that Portland scarcely experiences trouble with umpires unless Mike Fisher and his band are in town. It seems incredible that Mike should be such a spendthrift as to purchase crawfish for officials in this glorious day of lobsters and crabs. As soon as the great triumvirate, "Harry," "Bertie" and "Goodie," got tired of "Worcestershire" Bull Perrine's officiating at San Francisco they shipped him by slow freight to Portland, the dumping-ground of all that is unwholesome and unsteady in the coast league. Yesterday's game was played on Multnomah field. Today the game will be resumed at Recreation park. French is slated to twist today, while Brown will pitch for Tacoma.

Brodie L. Duke and his wife, formerly Miss Alice Webb, from whom he is now seeking divorce. They were married last December, but so strongly did the tobacco millionaire's friends disapprove of the match that they sent Duke to a sanatorium. Rumor has it that Duke will remarry his second wife whom he divorced in 1922.

The fight fans in Butte that they lost no time in matching him to meet Goodman. This bout ought to be a fierce one, as both boys are aggressive and can deliver a knockout blow with either hand.

Batting Nelson seems to be playing in hard luck so far as getting on with Jimmy Britt is concerned. It was understood that the two were matched, but a cog seems to have slipped somewhere. The impression is growing here that Britt is not particularly anxious for any of "Dane's" games. In any event, he is hooked up with "Kid" Sullivan of Baltimore and will fight him on July 18. While it is true that Sullivan made both Young Corbett and Battling Nelson bust some championship met him, there is ground for believing that he will be easy money for Britt. Maybe the conqueror of Jabber White will really give Nelson a chance next.

Portland may have baseball on the Fourth of July if the negotiations now under way turn out favorably. According to schedule Portland is booked with Seattle and Oakland with Tacoma, but Mike Fisher wants to play his Tigers in Portland, providing the teams can play at Recreation park, and in order to do this some sort of an agreement must be reached with the world's fair sport committee which has arranged an athletic program for that day.

Yale Wins Championship. New Haven, Conn., June 28.—Yale won the National collegiate baseball championship yesterday by defeating Harvard by the score of 7 to 2. This is the first time since 1898 that old Bill has won the honors on the diamond, and the enthusiasm over yesterday's victory was great. The game was witnessed by one of the largest crowds ever assembled on Yale field, reunion classes being in attendance started off by scoring one in the first inning, but they were unable to keep up the work and the sons of old Bill soon evened matters up and went them a few better. The score: Runs. Harvard 10 0 0 0 0 10 0; Yale 7 2 2 3 0 30 7.

UNIQUE AUTOMOBILE MAY BREAK RECORDS

Christie Builds a Direct Driven Car With Four Engines Driving on Hubs.

New York, June 28.—Walter Christie has completed construction of the most remarkable automobile ever built in this country. It is a direct driven car with four cylinder engines driving direct to the hubs of the front wheels and with similar engines driving direct to the hubs of the rear wheels. The engines take the place of two axles, and the drive shafts between them. This is practically a double-ender and will travel as fast backward as forward, though the steering is done by the forward wheels only.

Either engine can be operated independently of the other and together is calculated to give a speed of a mile in 50 seconds. The combined power will be about 150-horse. The car is built low, the wheel base is short and the entire car weighs only 2,100 pounds. The surprising feature of the machine is accounted for by the absence of axles and heavy running gear.

Owing to its peculiar construction the car is jumpy-looking and has not the appearance of being a record-smasher. Christie, whose direct drive machine was built on the same principle, but with only a single engine, established a mile record in 49 seconds with the car on a beach last winter and is confident that his new creation will pace a record mile in 30 seconds or at the rate of 128 miles an hour.

RESPONSIBLE FOR DEATH TO A CHILD YET UNBORN

Indianapolis, June 28.—Under a decision of the supreme court just rendered a saloonkeeper through whose sale of intoxicants a man was killed in a brawl is responsible for damages to the child of the deceased even though at the time of the killing the child was unborn. The case came up in Vigo county, where Wesley Neice, born two months after his father was shot and killed in a drunken brawl, claimed damages from the court holds it is the right of a child to be supported by its father and is a property right in which the unborn child suffers equally with any other children the parent may have when deprived of that support, though the saloonkeeper has since died the court holds the estate is liable to the child for damages.

NAIL PENETRATES FOOT HOLDING BOY PRISONER

Corvallis, Or., June 28.—While gathering wild blackberries near the Lilly hospital yesterday, Dick Graham, Jr., fell from a fence, landing on a nail from which protruded a rusty nail. The nail penetrated the foot for nearly two inches, and for more than an hour the lad remained in a sitting posture, unable to get the foot free. A passerby came to his assistance and attempted to loosen the boy from his torturing predicament, but another man had to be called, and it took the combined efforts of the two, after cutting away the shoe, to free the lad. He was brought to town, where a physician dressed the ugly wound. Young Graham is resting fairly easy today.

Wife Abused Him. Pendleton, Or., June 28.—John C. Shaw of Echo, according to a complaint for divorce filed by him today in the court of equity, is having more than his share of domestic trouble. The plaintiff alleges that his wife, Leola M. Shaw, has been in the habit of treating him in a cruel and inhuman manner ever since April 1, 1923; that she has heaped personal indignities upon him frequently; that she has repeatedly cursed and abused him shamefully;
