American Athletes Did Not Fare Very Well in Competition in England.

MISS SUTTON PROVES THE SHINING STAR

Vesper Crew Will Be Well Received at Home Despite Their Foreign Defeat—Current Gossip and Resumes of Eastern College Season.

(Journal Special Service.) New York, July 19.—These have been mad days for venturesome American sportsmen abroad, and with the single exception of that marvelous young woman tennis champion, Miss May Sutton, the Americans who sought glory abroad have had to content themselves with near victories.

The Vesper crew was not good enough to beat Leander, the New York riflemen did not make quite so many bullseyes as the British militiamen, and the tennis team failed to get what they went for.

While in all these branches of sports the American committee most creditably showing they failed to bring home the goods with the exception above noted.

Miss May Sutton is undoubtedly the best woman tennis player in the world. If the eagle is to shine in its sporting world something must be done.

It is gratifying to know that the defeat of the Vespers will make no difference in their reception by their fellow club members.

The close of the college baseball season among the teams of the "Big Six" was made conspicuous by the great finish of the Yale nine after an early season that failed to forecast anything like the rally made by the New Haven players.

Despite the objections raised by many of the Yale and Harvard alumni at having the so-called championship awarded as a result of one game between the Crimson and the Blue, there is no question that it was as fair for one as the other.

The standing of the Big Six on the percentage basis follows:

Table with columns: College, Won, Lost, Per Ct. Yale: 6, 1, .857; Harvard: 5, 1, .833; Cornell: 4, 3, .571; Princeton: 4, 4, .500; Columbia: 2, 4, .333; Pennsylvania: 1, 7, .125

In the future the management of athletics at Georgetown university will be left in the hands of the alumni and the undergraduates.

Operations have commenced on the new training house for the University of Pennsylvania athletes.

It is hoped to have it finished in time for next season's baseball team, though it cannot be completed for the football team this fall.

There is no doubt that Marvin Hart has made many friends by his conduct since the defeat of Root.

He is making no claims for championship honors, but he is very properly, if modestly, says that it is up to the man who takes the title to show him the belief in growing here that Hart is pretty close to the top of the heavyweight division with Jeff Barred.

We are to have an invasion from England in the fall. Jim Bowker, Owen Moran and John White are coming over for fight, with, of course, a number of good American dollars on the side.

They want to get all the fight they want and there is quite little doubt that they will be able to cop off a reasonable number of dollars.

White and Moran, who have been very recently, made good as game, skillful scrappers.

Portland Nine Plays Fast Ball and Tacoma Suffers Another Shutout.

FISHER AND GRAHAM DRIVEN OFF THE FIELD

Extravagant Magnate Dilatory in Paying Fitzgerald's Penalty and "Slats" Orders Him Off—Charlie Becomes Loquacious.

Bill Esick and his team-mates whitewashed the Tacoma Tigers yesterday in tiptop fashion, in one of the liveliest and most interesting games played here in some time.

The contest was interspersed with a few incidents that lent attractiveness to the marriage of nations. Fitzgerald, who was fined for becoming excessively voluble during Monday's game, was called on to pay his penalty before the festive Ira Davis would allow the game to proceed.

The occurrence so disturbed the extravagant magnate that he ordered the game suspended and the umpire in his wild way, and was quickly ordered off the grounds.

Mike snaked around and climbed into the grandstand, from whence he witnessed the downfall of his Gaelic aggregation.

In the second inning Charlie Graham desired an excuse to be sent to the woods, as the visiting players' bench was too hot for comfort, so he began to tease J. Irate Davis, with the result that he was fined fivepence and chased off the field.

Charlie, the remainder of the game from a six-bit seat in the grandstand.

With these preliminaries disposed of, Portland and Tacoma settled down and played a star engagement. Esick was in great trim and kept the visitors' ball strung throughout the nine innings.

Bill Thomas was also throwing curves that have beaten other teams very often this season, but the locals managed to locate his shoots at the right time.

In the first inning, Al's single and Leary's sacrifice crossed the plate. Van Buren scored the third run in the eighth, being given life on Truck Eagan's wild pitch.

The work of the locals was spirited in every department, and from the activity of the men it looked as if the injured men were rounding into form again.

The crowd thoroughly enjoyed the rapid and impartial officiating of Slats Davis, and went home in a happy frame of mind.

The official score follows:

Table with columns: AB, R, H, PO, A, E. Tacoma: 13, 3, 4, 5, 7, 9-0. Portland: 1, 0, 0, 0, 0, 0-0. Hits: 13, 1, 0, 0, 0, 0. Errors: 0, 0, 0, 0, 0, 0.

MAY SECEDE FROM RANKS OF ROYAL ARCANUM

Increased Rates Cause Universal Protest and Disension in the Order.

(Journal Special Service.) New York, July 19.—It is now nearly two months since the supreme council of the Royal Arcanum met at Atlantic City and decided to advance the insurance rates of the order. This has given sufficient time for the sentiment of the rank and file of the order to crystallize and it has now become evident that some decisive step must be taken in the right direction or else the order is bound to lose a large percentage of its membership.

During the last two or three weeks state conventions have been held in New York, Massachusetts, Wisconsin, Michigan, Pennsylvania and other states, vigorous protests at the increase in rates have been made and in some instances there have been open threats of secession and the formation of a new order. The secession movement has gained great headway and its promoters have even gone so far as to agree upon a name for the new order, that of the Royal Arcanum.

The rates agreed upon by the supreme council at its May meeting advance the monthly payments of members at the age of 40 and beyond from 150 to 200 per cent. To rescind this action seven grand councils, each representing a state, must send a written request to the supreme council to call a meeting of the supreme council. It is said that the required number of state councils have already made such request, but so far no action has been taken by the supreme council of the order.

The objectors have urged all members to retain their membership until October 1 in the hope that the new rates may be withdrawn. If after that date the supreme council still fails of action it is likely that immediate steps will be taken to form a new and rival order. Those favoring the secession movement declare that more than 90 per cent of the members of the Royal Arcanum are ready to withdraw and join a new order.

The summary: 100-yard swim—Won by J. Scott Leary, Olympic club; second, A. A. Allen, M. A. C.; time, 1:00. 250-yard swim—Won by F. Gally, O. C.; second, A. A. Allen, M. A. C.; time, 3:04 2/5.
