### Large Crowd of Spectators Enjoy the Afternoon's Sports—Handicapping and Starting Were Bright Features of Program.

The third annual race meeting of the Multnomah Fair association opened yesterday at Irvington racetrack and those who were there felt fully repaid for the trip to the track, despite the oppressive weather. The afternoon's standpoint the day was ideal for horses, as the heat simply helped loosen up their joints and enabled them to skip along at a lively clip.

# THE SEALS BE OUTRITTED YET DOWN OAKLAND

### Uncle Henry's Pets Manage to Beat Cripples After a Tedious Battle—Story of Contest.

(Special Dispatch by Leased Wire to The Journal) San Francisco, July 22.—Although outbatted two to one, the Seals won from the crippled Oaklanders today. Williams was hit in almost every inning, but stupid base running and fast fielding kept the Commuters from scoring. Mohler at second showed that he had lost some of his old-time cleverness, felding and batting in big league style.

The Seals scored the winning run on a hit and an error after two were out in the last inning. Score: Seals, 10; Oakland, 2.

### CRICKET MATCH ON EAST SIDE GROUNDS

Yesterday was Ladies' day at the Portland Cricket club and there was a large attendance on the field at East Thirty-ninth and Belmont streets to witness a match between two teams captained by W. G. Smith and Jack Mallett.

The wickets were pitched at 3:30 o'clock, and to allow opportunity for a finished innings each, the teams were limited to eight on a side, three of the batting team playing as substitutes to complete the 11 in the field. Mallett's side went in first against the bowling of Smith and Rylance, totalling 44 runs, of which Mallett contributed 15 by careful play and Holmes 12 by brilliant hitting.

After an interval for rest ice cream and refreshments were served. The Smiths went to the wickets facing the attack of Mallett and Warren. Papa Smith played in his old form; his 28 being made without a fault until he was nearly caught and bowled by Mallett, with the score at 57. The innings was closed by Laughton's magnificent running catch of Bartling. Mr. Smith's side thus winning a keenly contested game by three runs.

Mr. Smith's interest attaches to these matches as their ultimate object is the selection of a team to represent Portland at the Lewis and Clark tournament in September.

### BUT STILL TACOMA GROWS

(Continued from Page Eight.)

ened by the shouts of the kind multitude and the score went up all right. Only once was there any semblance to the riot. It was in the eighth. Van Buren made a hit, reached first and was sacrificed to second by Householder. Mr. McLean was the next hitter. Much to his disgust and that of the fans, Emerson proceeded to give him infant food. Mr. McLean tried to make a full grown adult and that he can take large spoonfuls. Dr. Emerson refused to listen to the protest and Mr. McLean appealed to the umpire. Some few words, which appeared to be warmer than the weather, were exchanged, but quiet finally prevailed. Mr. McLean took his infant food and got a walk to first. Mr. Emerson was apparently wise in feeding McLean wife ones, for when Cates came to the plate he handed him one which the obliging Mr. Cates kindly placed in Mr. Sheehan's hands, with the result that Mr. Sheehan played tag with Van Buren at third, proceeded to throw Van Buren, sacrificed, and home on Householder's high one to Doyle. This is all that is coming to Portland.

### ENTERPRISE IN CHINA.

From the North China Herald, Shanghai. An imperial decree states that a memorial has been received from a censor recommending a Shanghai merchant with a railway construction syndicate. This censor's object is recognized to be a desire to profit his own purse, and he is to be handed over to the proper board for punishment.

### PROBABLY IN THE MARKET NOW.

From the Chicago Tribune. "So the last of your younger sisters is off your hands now," said one of the guests at the wedding. "I suppose you'll be going next?" "I don't know, I am sure," said the other, with a pensive smile. "Papa and mamma certainly don't need me as a sample any longer."
