STORE CLOSSES AT 6 P. M.

DON'T PROCRASTINATE!

Some years ago there lived in Boston a lawyer noted for cloth in movement and moderation in speech. Many readers from the old "Bay State" will remember Cephas Brigham as a character they knew before crossing the continent to come to Oregon. Mrs. Brigham awoke one night and called her husband, saying she thought there were burglars in the house. He got out of bed and dressed himself, even to collar and necktie, and turning to his wife, said: "Mrs. Brigham—in which direction do you suppose the burglars are?"

Of course the burglars are gone, it don't matter where. We only tell the incident to illustrate the importance of avoiding delay in important matters. Be sure you don't delay today in getting to the store early to share in the bargains. If you can't come early—come later. If you can't come today—come tomorrow. But some of the values advertised here may be gone if you delay too long in coming. You know this is the "clean-up" season, and many lots are small.

\$2, \$2.50, \$3.00 SHOES \$1.29
\$3.50 FOR PAIR

We are going to swallow a big loss quickly, with as little straining as possible. The operation will be over in a "jiffy." We've selected from our entire stock of Women's and Misses' Half Shoes and Slippers, every line that is not complete in every respect, every line we have decided to discontinue for one reason and another, all ends and oddments of cases, in short, BROKEN AND DISCONTINUED LINES OF BOTH BLACK AND TAN SHOES. These we will place on three big tables in the center of the spacious "Fair-Way" Shoe Store, and instead of sorting the values and grading the loss, we will take it in one big, round lump, allowing full and free choice of all the shoes—OVER TWO THOUSAND PAIR—values ranging from \$2 to \$3.50 (with the balance of favor on the side of the \$3 and \$3.50 shoes) at one price.....**\$1.29**

Tomorrow Morning, Not Today

A host of the best selling styles to select from, a sale from our own regular fine lines—shoes we have banked on for style and business building. Any normal foot can be fitted to perfection. The sale starts tomorrow morning (NOT TODAY—MIND YOU) at 8 a. m., in the regular shoe store on the first floor, Sixth Street Annex, with every comfort, expert service and good nature. We can serve more customers in a day than any Portland store ever had—so take your time, don't crowd or hurry. We want every customer to be fitted exactly. There's enough to go 'round. And any woman or miss can be suited exactly. The shoes are those that are in the vogue among the dressiest circles in America today. Sale opens at 8 a. m. tomorrow.

HIST! HARKEN TO THE FALLING PRICES ON Women's Undermuslins

If we can't prove this statement upon comparison we'll gladly withdraw all our claims and acknowledge defeat.
